cheese_wizardpq's Collection: SLUGFEST - Picture 6 of 10

cheese_wizardpq's Collection: SLUGFEST - Picture 6 of 10. Leg protectors ended up wrinkling the rear leg decals a tad, nothing disastrous. Plays like it should; flawlessly

Better than average model. Playfield is a 9. Cab is a 6. Needs some touch ups. Plays flawlessly

Very Good / Pristine condition. All Leds. No scratches or marks on playfield and Cabinet, Cliffys everywhere. Red light flipper buttons. Red starpost lights at slings. Plays flawlessly

Great condition. Custom paintjob, all Leds, New double spotlight to make the backboard Pop. 35cm Cold white led strip added into the whirlpool to make it going tsunamil Mirror blades. Black Rose shooter rod. New rubbers

Perfect condition. All leds. Red powdercoated rails, legs and lockbar. Exclusive and numbered Dracula coffin. Flipper button leds, spotlight to make the cemetery more present. Dracula's castle and village custom painted job. All rails in the game are Red ruby painted (looks like sparkling blood). Red post lights in slings. Mirror Side Blades. PDI glass from Pinball decals. Blue LED Speaker Light Kit. NOS prototype slingshots plastics. Pristine model

A Bryan Kelly restoration with "continued" installed in it (like it should be on every single one!). Number 851 indicated on a Polished brass plaque (under the plunger) clear coated playfield, Pinball decals targets, cactus canyon custom deluxe figure set, chrome Mirror blades, tasteful LEDs, cointaker LED backbox art kit. Yellow post lights in slings. PDI glass from Pinball decals. gorgeous machine.

I did a full restoration on this one. New Mirco playfield. Powdercoated. ColorDMD, Ringmaster blue eyes mod. Pinblade decals. topper. cliffys everywhere. Purple undercab lighting. Green light flipper buttons. New blue Diamond shape shooter rod. All legs, rails and lockbar purple powder coated. PDI glass. Pink starlights in slings. 3 post lights added. led strip under apron. it plays like a NIB.

One of the beautiful game I saw. All leds. Very good / Pristine condition. No scratches on playfield or Cab. ColorDMD, Ringmaster blue eyes mod. Pinblade decals, topper. cliffys everywhere. Purple undercab lighting. Green light flipper buttons. Cliffys everywhere. Purple undercab lighting. Green light flipper buttons. Cliffys everywhere. mirror pinblades. PDI glass from Pinball decals. Green LED Speaker Light Kit. Purple light posts. New rubbers. New Snackbar mod with coldblue lighting, green led strip under apron. real nice

very good condition. Brand new repro hologram from Pinball-dreams. All super bright leds. No ghosting. Pink Cadillac mod. Green lighting creature Mod. Topper. New shooter rod. ColorDMD. All green/gold powder coated. Green light flipper buttons. Cliffys everywhere. mirror pinblades. PDI glass from Pinball decals. Green LED Speaker Light Kit. Purple light posts. New rubbers. New Snackbar mod with coldblue lighting, green led strip under apron. real nice

what you see is what you get. Nice 8balls with a great PF and Backglass. Cab needs some work.
