

## DEFEAT SHIWAN KHAN IN THE FINAL BATTLE TO SAVE THE WORLD

**SKILL SHOT** Use the left blue flipper button to choose award before launching the ball. Make left ramp to collect award.

**START SCENE** Make left or right ball ejects when Start Scene light is lit to begin.

**EXTRA BALL** Complete the Battlefield or make displayed Shadow Loops-in-a row to light extra ball. Shoot right eject to collect extra ball.

**MONGOL ATTACK** Spell M-O-N-G-O-L by hitting the yellow targets. Once completed shoot for the outer loops within time limit.

**VENGEANCE** Use blue flipper buttons to move phurba diverters to light all 4 rings and start Vengeance Mode. During mode complete all rings in the given time.

**BATTLEFIELD** Hit the target to gain access to the Battlefield. Use flipper buttons to make displayed number of hits, then break through the back wall to collect jackpot.

**SHADOW MULTIBALL** Hit the Sanctum brick wall to light locks, then shoot Sanctum to lock balls.

**KHAN MULTIBALL** Spell K-H-A-N to light Khan Multiball at the left eject. Shoot into left eject to start Khan Multiball.

**JACKPOTS** When in Shadow or Khan Multiball shoot lit jackpots lights. Left & right ball ejects will double & triple jackpots.

**FINAL BATTLE** Complete Shadow Multiball, Khan Multiball, Battlefield & all the scenes to light the final battle!
