

# About Barry O's BBQ Challenge

## Overview

American Pinball is proud to announce Barry Oursler's final all-new design, commemorating his illustrious 46-year career in game design. In honor of Barry, we're excited to introduce 'Barry O's BBQ Challenge' - a pinball adventure that captures the essence of summer fun and embodies the spirit of neighborhood BBQ Festivals across America. Available in two delectable editions - **Limited** and **Classic** - each game is seasoned to perfection, ready to become the centerpiece of your collection. Commemorating Barry's legacy, the royalties from 'Barry O's BBQ Challenge' will be directed to his estate, supporting his family and continuing his impactful contribution to the world of pinball.

## Story & Setting

Crafted with the durability of the finest smokers and featuring vibrant animations, '**Barry O's BBQ Challenge**' promises endless entertainment and joy. This game is a tribute not just to Barry's legacy in pinball design but also to the rich culture of barbecue, making it an essential addition for both pinball enthusiasts and barbecue aficionados.

The development of '**Barry O's BBQ Challenge**' represents a collaborative effort that merges the expertise of seasoned professionals and innovative talents. Steven Bowden spearheaded the creation of the game's complex rules, while Joel Schober and Casey Butler being instrumental in software and engineering and guaranteeing a responsive and engaging gameplay. David Thiel elevated the game's auditory landscape through meticulous sound engineering and the composition of a festive theme soundtrack, complemented by Matt Kern's authentic voice production and his skill at finding amazing voice talent.

Contributions from Steve Bowden, Dennis Nordman and Ryan McQuaid in design assistance played a vital role in refining the game's playfield, creating a compelling and immersive experience. The visual and interactive elements of the game were brought to life under the art direction of Jack Haeger, with Dan Hughes providing the artwork, and animations crafted by Jessica Durbala

and Bobby Llereza. The mechanical integrity and design, managed by Zofia Ryan and Mitesh Pithva, along with Benjamin Kibler's project management, ensured the game's seamless operation. Through this collective expertise, **'Barry O's BBQ Challenge'** not only pays homage to Barry Oursler's remarkable legacy but also captures the essence of pinball.
