BENTON, WI., April 8, 2019 /Newswire/ -- Spooky Pinball LLC Benton Wisconsin's oldest and largest producer of arcade-quality pinball machines, proudly announced today the availability of a new pinball machine celebrating the popular breakfast icon, Count Chocula. Count Chocula pinball machines will be available in Standard and Limited Edition models. Count Chocula is a fictional vampire introduced by General Mills in 1971 in an eponymous breakfast cereal.

The game will dunk players in a dynamic, challenging, and chocolately pinball environment where Franken Berry and Boo Berry battle Count Chocula for breakfast supremacy.

"Count Chocula is one of General Mills most exciting and successful cereal lines worldwide. This is a dream theme for us, and we can't wait to bring the Count's world alive on a pinball machine," said Charlie Emery, Chairman and CEO of Spooky Pinball LLC. "Spooky Pinball shares General Mills' love and enthusiasm for this amazing chocolate vampire. We think the pinball community is going love taking this 'breakfast table to pinball table' trip with us."

Spooky's Count Chocula Standard and Limited Edition models are packed with features that provide an irresistible gameplay experience. Each game features a sculpted and interactive coffin. In addition, a custom sculpted Count Chocula figure will keep players on their toes as it introduces chocolately gameplay randomness. Color-changing inserts highlight the mysterious and interactive cereal box, which opens to reveal a Mystery Toy. The Limited Edition model also feature two extra magnets, custom artwork, a real backglass, and sculpted chocolate fingers that sprawl across the playfield.

In addition to the immersive theme and exciting gameplay experience, the P-ROC electronic platform enables high-definition graphics and innovative animations on the LCD screen. The state-of-the-art electronic system also powers a high-fidelity 3-channel audio system that sets the standard for breakfast cereal-based arcade amusement.

All models feature stunning and distinctive hand drawn art. Count Chocula Pinball entertains with an amazing array of modern and classic features, making it suitable for all skill levels.

Count Chocula pinball is available through authorized Spooky Pinball distributors and dealers around the world.

About Spooky Pinball LLC

Spooky Pinball was founded in 2013 by Charlie Emery, a pinball podcaster and machine designer. Emery's wife, KT, and children are also involved in the enterprise. While Spooky's pinball machines target collectors, they are equipped with coin doors and built for commercial operation.

All trademarks and product names are the property of their respective companies.
