Debtors. § Jointly Administered

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

Debtors deeproot Capital Management, LLC, et al. (the "<u>Debtors</u>"), as debtors in jointly administered above-captioned chapter 7 cases, with the assistance of their attorneys, are filing Schedules of Assets and Liabilities (the "<u>Schedules</u>") and Statements of Financial Affairs (the "<u>Statements</u>") in the Bankruptcy Court for the Western District of Texas, San Antonio Division (the "<u>Bankruptcy Court</u>") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

These Global Notes and Statements of Limitations, Methodology, and Disclaimers regarding the Debtors Schedules and Statements (collectively, the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of the Debtors' Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Schedules and Statements contain unaudited information that is subject to further review, potential adjustment, and reflect the Debtors' commercially reasonable efforts to report the assets and liabilities of the Debtors.

The information contained in the Schedules and Statements was prepared based on the best information available and to the Debtors' knowledge and belief. The Debtors and their agents and attorneys do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While

¹ The Debtors in these chapter 7 cases, along with the last four digits of each Debtor's federal tax identification number, are: Policy Services, Inc. (2864), Wizard Mode Media, LLC (3205), deeproot Pinball LLC (0320), deeproot Growth Runs Deep Fund, LLC (8046), deeproot 575 Fund, LLC (9404), deeproot 3 Year Bonus Income Debenture Fund, LLC (7731), deeproot BonusGrowth 5 Year Debenture Fund, LLC (9661), deeproot Tech LLC (9043), deeproot Funds LLC (9404), deeproot Studios LLC (6283), and deeproot Capital Management, LLC (2638).

commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents and attorneys expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents and attorneys be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents and attorneys are advised of the possibility of such damages.

Manager Robert J. Mueller has signed each of the Schedules and Statements. Mr. Mueller is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Mueller has relied upon unaudited, unreconciled financials and has had limited access to data and documents. Mr. Mueller has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

- 1. Reservation of Rights. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to (i) amend or supplement the Statement and Schedules from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim ("Claim") descriptions or designations; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Statement and Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by any of the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtors against which the Claim is listed. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 7 cases, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements except as may be required by applicable law.
- **2. Description of the Case and "As Of" Information Date.** On December 9, 2021 (the "<u>Petition Date</u>"), the Debtors filed their voluntary petitions for relief under chapter 7 of the Bankruptcy Code. On December 20, 2021, an Order Granting Motion for Joint Administration [Dkt. No. 20]

was entered directing joint administration of the Debtors' chapter 7 cases. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements.

Unless otherwise indicated, the asset information provided herein represents the asset data as of the close of business on December 31, 2020. Unless otherwise indicated, the liability information represents the liability data of the Debtors as of the close of business on December 31, 2020. The asset and liability data is unaudited, but the Debtors believe such data is the most accurate data available to the Debtors as of the Petition Date.

- **3. Estimated Value of Assets.** Unless otherwise indicated, the asset data contained in the Schedules and Statements reflect book value as of July 8, 2021. Book values of assets prepared in accordance with GAAP generally do not reflect the current market value of the assets and may differ materially from the actual value of the underlying assets. Some asset values stated in the Schedules and Statements are estimates based on the best available information available to the Debtors. Unless otherwise noted, the asset values stated in the Schedules and Statements are not based on professional appraisals or any specific valuation methodology.
- 4. Recharacterization. Notwithstanding the Debtors' commercially reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity of the Debtors' financial statements and other factors. Accordingly, the Debtors reserve all their rights to re-characterize, reclassify, recategorize, re-designate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available. Disclosure of information in one or more Schedules, one or more Statements question, or one or more exhibits or attachments to the Schedules and Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statement, exhibits, or attachments.
- **5. Liabilities.** The Debtors has sought to allocate liabilities between themselves based on information currently available to the Debtors. As additional information becomes available, the allocation of liabilities between the Debtors may change. Accordingly, the Debtors reserve all their rights to amend, supplement, or otherwise modify their Statements and Schedules as is necessary or appropriate.
- **6. Excluded Assets and Liabilities.** The Debtors may have inadvertently excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, without limitation, other claims against vendors who could be holding pinball machine parts that belong to the Debtors, net operating loss tax characteristics ("NOLs"), accrued salaries, employee benefit accruals, and accrued accounts payable. In addition, certain immaterial assets and liabilities may have been excluded.
- **7. Insiders.** For purposes of the Schedules and Statements, the Debtors defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtor; (d) relatives of the Debtors' directors, officers, or persons in control of the Debtors;

- and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and the inclusion of them in the Schedules and Statements, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.
- **8.** Intellectual Property Rights. Exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- **9.** Classifications. Listing (a) a Claim on Schedule E/F as "priority," or (b) a Claim on Schedule E/F as "unsecured" does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claims or contracts or to setoff of such Claims.
- 10. Claims Description. Schedule E/F permits the Debtors to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by any Debtors that such amount is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. The Debtors reserve all their rights to dispute, or assert offsets or defenses to, any Claim reflected on their Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all their rights to subsequently designate such Claims as "disputed," "contingent" or "unliquidated." Moreover, listing a Claim does not constitute an admission of liability by the Debtors.
- 11. Causes of Action. Despite making commercially reasonable efforts to identify all known assets, the Debtors may not have listed all its causes of action or potential causes of action against third parties as assets in the Statements and Schedules, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, crossclaim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

- **12. Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:
 - Undetermined Amounts. The description of an amount as "unknown," "unknown, investigating," "cannot allocate," "cannot value," "N/A," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.
 - Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total maybe different than the listed total.
 - Liens. Property and equipment listed in the Schedules and Statements are presented with any liens that may attach (or have attached) to such property and equipment, to the best of the Debtors' knowledge, except that liens attaching to substantially all of the Debtors' assets are not noted as to each and every asset listed.
- **13.** Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- **14. Intercompany Payables and Receivables.** Intercompany receivables/payables are set forth on Schedules A/B and E/F, respectively. The listing by the Debtors of any account between a Debtor and any of its Debtor or non-debtor affiliates is a statement of what appears in each respective Debtor's books and records as of December 31, 2020 and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.
- **15. Employee Addresses.** Employees and director addresses listed in the Schedules and Statements are the last known addresses provided to the Debtors.
- **16. Debtor's Address.** For the purposes of the Schedules and Statements, the Debtors' address has been reported as the Debtor's P.O. box in San Antonio, Texas.
- **17. Global Notes Control.** In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

Specific Notes with Respect to the Debtors' Schedules of Assets and Liabilities. The Schedules neither purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment and reflect each of the Debtor's reasonable best efforts to report its assets and liabilities. Moreover, given, among other things, questions about the characterization of certain assets and the valuation and nature of certain liabilities, the Schedules and Statements are not an admission that the Debtors were solvent or insolvent as of the Petition Date or at any time before the Petition Date.

1. Schedule A/B, Part 5 – Inventory, excluding agriculture assets

The Debtors have limited access to certain records regarding the pinball machine and pinball parts inventories.

2. Schedule A/B, Part 7 – Office furniture, fixtures, and equipment; and collectibles

Current value is based on management's best estimate as of the Petition Date. The value provided on Schedules is the estimated total value of the assets. Values given were not split between Debtors that jointly own the assets.
