(A) SALE OF LIFE INSURANCE POLICIES, (B) SALE PROCEDURES, STALKING HORSE AGREEMENT
AND BID PROTECTIONS IN CONNECTION WITH THE SALE OF PROPERTY OF THE ESTATE OF POLICY
SERVICES, INC., AND (C) THE FORM OF NOTICE FOR THE SALE OF PROPERTY OF THE ESTATE OF
POLICY SERVICES, INC.**

TO THE HONORABLE MICHAEL M. PARKER, UNITED STATES BANKRUPTCY JUDGE:

John Patrick Lowe, Chapter 7 Trustee of the above captioned jointly administered bankruptcy estates (“**Trustee**”), on behalf of Policy Services, Inc., (the “**Debtor**”) in the above administratively captioned case, by and through Trustee’s counsel, Pulman, Cappuccio & Pullen, LLP, hereby files this *Trustee’s Motion to Approve (A) Sale of Life Insurance Policies, (B) Sale Procedures, Stalking Horse Agreement and Bid Protections in Connection with the Sale of Property of the Estate of Policy Services, Inc. and (C) the Form of Notice for the Sale of Property of the Estate of Policy Services, Inc.*

¹ The Debtors in these administratively consolidated chapter 7 cases, along with the last four digits of each Debtor's federal tax identification number, are: Policy Services, Inc. (2864), Wizard Mode Media, LLC (3205), deeproot Pinball LLC (0320), deeproot Growth Runs Deep Fund, LLC (8046), deeproot 575 Fund, LLC (9404), deeproot 3 Year Bonus Income Debenture Fund, LLC (7731), deeproot Bonus Growth 5 Year Debenture Fund, LLC (9661), deeproot Tech LLC (9043), deeproot Funds LLC (9404), deeproot Studios LLC (6283), and deeproot Capital Management, LLC (2638).

(the “**Sale Motion**”), concerning personal property of the Estate of Policy Services, Inc., Debtor, described as follows:

Life Insurance Policies described in Exhibit A-1 attached hereto (the “**In-Force Insurance Policies**”); and Life Insurance Policies described in Exhibit A-2 attached hereto (the “**Lapsed Insurance Policies**”). The In-Force Insurance Policies and the Lapsed Insurance Policies are collectively referred to herein either as the “**Policies**” or the “**Life Insurance Policies**” as the context may require.

In support of the Sale Motion, Trustee respectfully represents as follows:

I. JURISDICTION AND VENUE

1. This Court has jurisdiction to consider the Sale Motion pursuant to sections 157 and 1334 of title 28 of the United States Code. 28 U.S.C. §§ 157, 1334. This is a core proceeding pursuant to section 157(b)(2). 28 U.S.C. §§ 157(b)(2). Venue is proper before this Court pursuant to sections 1408 and 1409 of title 28 of the United States Code. 28 U.S.C. §§ 1408-1409.

II. PROCEDURAL HISTORY

2. On December 9, 2021 (the “**Petition Date**”), the Debtor filed a voluntary petition under chapter 7, title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (as amended, the “**Bankruptcy Code**”). The Court authorized that the Debtor’s bankruptcy case, along with 10 other debtor affiliates, be jointly administered under lead case *In re: deeproot Capital Management, LLC*, Case No. 21-51523 (the “**Jointly Administered Case**”).

3. On or about December 21, 2021, John Patrick Lowe was appointed as Chapter 7 seTrustee of all eleven bankruptcy cases comprising the Jointly Administered Case.

III. SUMMARY

4. Debtor’s estate (“**Estate**”) is the owner and sole beneficiary of the In-Force Insurance Policies and the Lapsed Insurance Policies. To the best of Trustees knowledge there are seven or eight life insurance policies still in force which are owned by the Debtor, and at least twelve or thirteen life insurance policies that have lapsed due to non-payment. The face amount (death benefit) of the Lapsed

Insurance Policies is approximately \$27,365,000. The face amount (death benefit) of the In-Force Insurance Policies is \$7,100,000, although any single policy may have accumulated a debt against the death benefit for unpaid premiums. The In-Force Insurance Policies require the on-going payment of policy premiums which the Trustee estimates will amount to as much as \$100,000.00 within the next thirty to sixty days. Currently, the Trustee has approximately \$4,947.00 in cash in the Debtor's segregated bank account. The Trustee does not have the funds to pay the on-going premiums for the In-Force Insurance Policies. The In-Force Insurance Policies are the general intangible equivalent of strawberries sitting on the dock. They must be sold, and sold quickly, to maximize any value for the Debtor's Estate.

5. The Trustee has been approached by a potential purchaser, **TuYo** Holdings, LLC, a Texas Limited Liability Company (the "**Purchaser**" or "**Stalking Horse Bidder**"). Purchaser has offered to purchase the In-Force Insurance Policies and the Lapsed Insurance Policies for the purchase price of \$1,078,389.36 (the "**Purchase Price**"). The Purchase Price represents an amount equal to 25% of the Debtor's cost of acquiring the In-Force Insurance. (See, Exhibit A-1). The Purchaser has also offered to acquire all of the Estate's interest in, and any rights the Estate may have to cure or revive, the Lapsed Insurance Policies, and as consideration therefore, Purchaser has agreed that the net proceeds of a sale or of a death benefit received from any of the Lapsed Insurance Policies will be split with Debtor, after the reimbursement of a defined set of expenses, in the event any of the Lapsed Insurance Policies can be reinstated and result in a death benefit or are sold to a third party (See, Exhibit A-2). In the exercise of his best business judgment, Trustee has determined that entering into a Life Insurance Policy Purchase and Sale Agreement (the "**Purchase Agreement**" or "**Stalking Horse Agreement**") with the Purchaser in the form attached hereto as Exhibit B, is in the best interests of the Estate. **Purchaser has transferred into Trustee's counsel's IOLTA account a deposit in the amount of**

\$540,000.00 (“Deposit on Purchase Price”) to be applied against the Purchase Price. The balance of the Purchase Price will be paid upon final approval of this Sale Motion by the Court. **Purchaser has also agreed that Trustee may use a portion of the Deposit on Purchase Price to pay any insurance premiums which may come due between the filing of this Sale Motion and the approval of the Sale. Purchaser has already paid *post-petition* premiums totaling approximately \$28,000.00 in order to preserve the in-force status of two of the Policies.**

6. Acknowledging that another purchaser may appear and offer a **Topping Bid**², Purchaser requires some protection. In order to facilitate the sale, Trustee has agreed to treat Purchaser as a stalking horse bidder and to provide certain protections in the event another purchaser submits a better offer, which protections include: a break-up fee of \$50,000.00, reimbursement of Purchaser’s reasonable and necessary attorney’s fees as approved by the Court and capped at \$20,000.00, and treatment of any premiums paid post-petition in accordance with the Stalking Horse Agreement as an administrative expense of the Estate (“**Bid Protections**”).

7. Many creditors have filed proofs of claims in the Estate. It is apparent that these creditors believe they own a direct interest in individual policies in what remains of Debtor’s life insurance policy portfolio. Unfortunately for the creditors, each purchased an interest in a life settlement which is a security and does not evidence a direct ownership interest in a life insurance policy. Debtor’s financial statements prepared pre-petition indicate that Debtor entered into life settlement agreements with individual investors conveying fractional interests in the death benefits of specific life insurance policies. After investigation of Debtor’s business records, Trustee’s counsel has discovered documents issued by Debtor to individual investors titled “**Policy Servicing Agreement.**” The Policy Servicing Agreements are each attached to one or more related documents including a

² A “Topping Bid” is defined as a bid for \$1,250,00.00 for the Policies, with a \$600,000.00 deposit in the Purchase and Sale Agreement.

Policy Acquisition Application & Life Settlement Disclosure (the “**Policy Acquisition Application**”). Examples of a Policy Acquisition Application and a Policy Servicing Agreement are attached hereto as Exhibit C-1 and Exhibit C-2, respectively.

8. Together these documents ostensibly convey to the individual investor a fractional interest in the death benefit payable upon the maturity of the respective individual life insurance policy. Although the Trustee is of the firm conviction that none of the Debtor’s creditors are co-owners of any of the Policies, in order to ensure that each investor receives adequate notice of this sale so that each may assert whatever rights they may hold under 11 U.S.C. 363, and to ensure that the Purchaser receives ownership of the Policies free and clear of any “interest” which an investor may hold, the Trustee requests that the Court approve the Sale Notice so that it may be served on the creditor body and those requesting notice.

9. The Trustee is hamstrung in his evaluation of the worth of the Policies due to a lack of reliable information. The life insurance companies that issued the Policies do not seem to be accustomed to dealing with a bankruptcy trustee and have been slow to respond to Trustee’s counsel’s requests to transfer ownership of the Policies, thus the Trustee is not currently recognized by any of them as the registered owner of any of the Policies. Consequently, Trustee has been unable to timely retrieve reliable information regarding the current status of the Policies or the amount of premiums that may be currently due and owing. To the extent the insurance companies do provide information, it is sent by mail to Debtor’s address on file and, thus, Trustee must rely upon information received in the mail from the forwarding orders place with the U.S. Postal Service. The typical delay in receiving mail is thirty to forty-five days. Moreover, Debtor and the other jointly administered debtors, stopped entering financial information into their respective accounting records sometime in 2020. To the best of Trustee’s knowledge and belief, the financial information provided by the Debtor and the other

jointly administered debtors stops as of December 31, 2020. Thus, Trustee is without any financial information after this date, other than the jointly administered debtors' bankruptcy schedules.

10. In short, the Trustee faces several obstacles to maximizing the value of the remaining life insurance portfolio. First, the life insurance policies may in the long-term be quite valuable but are expensive to maintain, and the Estate is without funds to pay the premiums. Second, the Trustee has insufficient information to properly evaluate and market the Policies to third parties. In short, this sale to Purchaser should be approved before any Policies lapse due to non-payment of premiums.

IV. HISTORY OF THE DEBTOR

11. Debtor and the other jointly administered debtors ran a Ponzi scheme. Debtor's principal, Mr. Robert Mueller ("**Mueller**"), controlled -- as the sole owner, officer and director of Debtor and the other jointly administered debtors -- all of their operations. Upon information and belief, Mueller raised approximately \$60,000,000 on behalf of the jointly administered debtors from individual investors over the past decade. Debtor raised these monies through the purported sale of fractional interests in the death benefits of the Policies, otherwise known as life settlements. Debtor, however, ran out of money sufficient to pay the ongoing premiums which were due to the issuers of the life insurance policies and many of them lapsed.

12. At some point, Mueller stopped raising new money through Debtor and started raising investor money through some of the other jointly administered debtors. The pre-petition balance sheet for the Debtor reflects, as of December 31, 2020, a combination of inter-company liabilities among the jointly administered debtors totaling approximately \$30,000,000. After Mueller switched to raising monies through the other deeproot entities, the investment pitch varied over the years, but essentially Debtor promised a guaranteed annual return of 6% to 7% payable at the end of the applicable investment period. Investors purchased debentures—or long-term unsecured obligations to pay.

Mueller marketed Debtor as having investments in life settlements, agriculture, real estate, and sports and entertainment. At some point, the jointly administered debtors invested monies in an effort to develop pinball machines. The financial statements prepared by Debtor pre-petition and each of the jointly administered debtors' respective schedules reflect that none of the jointly administered debtors ever had any net income and, in most cases, had no revenue.

13. On August 20, 2021, the United States Securities and Exchange Commission (the "SEC") filed suit³ against most of the jointly administered debtors and Mueller for federal security fraud violations, and some of Mueller's immediate family members as relief parties. An injunction was entered prohibiting the solicitation of additional funds. Shortly thereafter, chapter 7 bankruptcy petitions were filed for each of the jointly administered debtors.

14. Of the twenty or thirty life insurance policies purchased by the Debtor, seven or eight life insurance policies remain in force. The balance of the life insurance policies, as best Trustee can determine, have either lapsed or previously matured. Other than the eight In-Force Insurance Policies and whatever rights the Trustee may have to reinstate the Lapsed Insurance Policies, the only remaining assets in the Debtor's estate are a minority ownership in an agricultural business, an interest in a promissory note secured by a second lien on a car wash, chapter five avoidance claims against the brokers who received commissions for bringing in investor money and insiders, and other litigation claims.

V. REQUESTED RELIEF

15. The statutory predicates for the relief requested herein are sections 363 and 503 of the Bankruptcy Code, Rules 6004 and 9014 of the Federal Rules of Bankruptcy Procedure and Local Rule 6004(b) and 9014 of the Local Rules of Bankruptcy Procedure for the Western District of Texas.

³ *Securities and Exchange Commission v. Robert J. Mueller, et al.*, Civil Action No. 5:21-cv-785, U.S. Dist. Ct. for the W. Dist. Of Texas, San Antonio Division.

16. The following proposed orders are attached hereto for the Court's consideration: (i) Order Authorizing and Approving Stalking Horse Agreement, Bid Procedures and Form of Notice of Sale ("**Sale Procedures Order**"), attached as Exhibit D; and (ii) Order Authorizing and Approving the Sale of Certain Personal Property Free and Clear of All Interests Pursuant to 11 U.S.C. §§ 363(b) and (f), ("**Sale Order**"), attached as Exhibit E.

A. The Court should approve a sale of the Life Insurance Policies pursuant to 11 U.S.C. Section 363.

17. By this Sale Motion, Trustee requests approval of the sale of the In-Force Insurance Policies and a transfer to the Purchaser of whatever rights the chapter 7 estate may have in, and to reinstate, the Lapsed Insurance Policies,

18. This is not an operating chapter 7 estate, and this transaction is outside of the ordinary course of business of the Debtor and other jointly administered debtors. Other than assets and claims described above, the In-Force Insurance Policies appear to be substantially all of the existing assets of the Debtor's estate. Pursuant to 11 U.S.C. Section 363, the Trustee seeks approval to sell the Policies to the Purchaser.

B. There are no other owners of "interests" in the In-Force Policies.

19. The Debtor raised money from investors and may have misled some or all of them into believing that they owned a direct interest in an individual life insurance policy. Unfortunately for each of the investors, regardless of what they may have been told by Mueller, they do not hold an interest in the underlying life insurance policies. Attached as Exhibit F-1 is a copy of an excerpt from the Debtor's Schedules (Doc. # 33, pages 38-39) which identifies a list of fifty-six individual investors identified as unsecured creditors of the Debtor. Debtor's pre-petition balance sheet dated December 31, 2020, attached hereto as Exhibit F-2, reflects in the equity section numerous individual investors categorized apparently by insurance policy. An example the two transaction documents between an

individual creditor (or investor) and Debtor are attached hereto as Exhibit C-1 and Exhibit C-2. Missing from these documents is a clear and express transfer of a direct ownership in any given insurance policy. What is clear in the Policy Acquisition Application & Life Settlement Disclosure, Exhibit C-2, is that the investors were purchasing a fractional interest in the death benefit rights of a life settlement. The document provides:

As Purchaser desires to purchase Death Benefit rights in a Life Settlement that may be fractionalized, Purchaser voluntarily enters into this pooled transaction as an accredited investor and acknowledges that such fractionalization is in the best interest of Purchaser. Purchaser further agrees to own Purchaser's pro rata share with other third-party purchasers as provided herein as a private transaction in non-securitized form. Purchaser agrees that Purchaser will not own any more or less than Purchaser's pro rata share of the life settlement policy, and therefore: will not receive any more or less than Purchaser's pro rata share of the death benefit, no be required to pay any more or less than the Purchaser's pro rata share of any future premiums (if any).

20. These individual creditors purchased interests in life settlement agreements which are securities⁴, not in the actual life insurance contracts The Trustee has not located any document reflecting that any of the investors were recorded as the owner of any of the Life Insurance Policies. Instead, it appears that the investors were each sold a fractionalized interest in a life settlement agreement, which life settlement agreement obligated the Debtor to pay a specified percentage of the death benefit of a life insurance policy owned by Debtor, should that life insurance policy ever mature. In short, the creditors who are listed on Exhibit F-2 have an unmatured contractual obligation from the Debtor—they are unsecured creditors⁵.

⁴ See, *In the Matter of Living Benefits Asset Management, L.L.C.*, 916 F.3d 528, 543 (5th Cir. 2019) (Holding that life settlements were investment contracts within the meaning of the Investment Advisors Act of 1940.). See also, *Life Partners, Inc. v. Arnold*, 464 S.W.3d 660, 662 (Tex. Sup. Ct. 2015) (“The primary issue...is whether a ‘life settlement agreement’...is an ‘investment contract’ and thus a ‘security’ under the Texas Securities Act. We hold that the agreements at issue are investment contracts because they constitute transactions in which a person pays money to participate in a common enterprise with the expectation of receiving profits, under circumstances in which the failure or success of the enterprise and the person’s realization of the expected profits is at least predominately due to the entrepreneurial or managerial efforts of others.”).

⁵ Admittedly, a reasonable conclusion from a reading of the transaction documents is that they were drafted with the intention of being confusing and unclear to the investor. However, inartful drafting in *Ponzi* scheme documents is neither surprising, nor does it change the outcome here. The primary asset of this debtor is a portfolio of life insurance policies that

21. The Trustee has uncovered no evidence that any individual investor or any other third party may have an interest in or claim to direct ownership of any single Policy. In examining the Debtor's records that are available to Trustee no written record of direct ownership in any individual Policy has been discovered nor have any collateral assignments of any of the Policies been located. All of the premium invoices from the insurance carriers that have been received or examined by the Trustee have been addressed to the Debtor. Thus, Trustee may sell the Policies to Purchaser pursuant to 11 U.S.C. Section 363(b) and (f), subsections (h) and (i) are not implicated because there are no co-owners of the Policies.⁶

C. There are no lienholders in any of the In-Force Insurance Policies.

22. Debtor's schedules do not reflect a secured lien on any of the Life Insurance Policies. The U.S. Small Business Administration does have a UCC-1 recorded against the assets of Debtor. However, a lien on an insurance policy is not governed by the Uniform Commercial Code because it is not a good. Therefore, the means to perfect a lien on a life insurance policy is through the execution of a collateral assignment of the proceeds of that individual life insurance policy. *See, e.g., Banco Popular, North America v. Kanning*, 638 Fed.Appx. 328, 338 (5th Cir. 2016). Trustee is not aware of the existence of any collateral assignment of any of the Policies.

must be sold or their value will simply lapse and disappear for all concerned. When asked at the 341 meeting of creditors whether any individual policy was sold to a specific investor, the Debtor's representative, Mr. Robert Mueller, asserted his right to avoid self-incrimination pursuant to Fifth Amendment to the United States Constitution.

⁶ The distinction between these individual creditors owning an undivided interest in a life insurance policy and therefore being a co-owner, or having a contractual right against the Debtor, as the Court is undoubtedly aware, is the difference between whether the In-Force Insurance Policies can be sold through this contested matter now, or whether the interest of the co-owner must be sold through the powers of the Court granted in 11 U.S.C. Section 363(h), after a lengthy adversary proceeding pursuant to Fed. R. Bankr. P. 7001(3). *See In re Lyons*, 995 F.2d 923, 924 (9th Cir. 1993). If the creditors have an "interest" in the In-Force Insurance Policies requiring the filing and prosecution of an adversary proceeding to determine whether the requirements of 363(h) have been met, there will simply be nothing to sell. The Debtor's Estate is without the resources to pay the on-going premium obligation, and the Stalking Horse Bidder is unwilling to wait for months and pay insurance premiums for policies which it cannot acquire.

D. The Life Insurance Policies are not subject to “deemed rejection” under 11 U.S.C 365(d)(1).

23. The In-Force Insurance Policies and the Lapsed Insurance Policies, either individually or as a group, do not constitute “executory contracts” as that term is used in the context of 11 U.S.C. § 365. Debtor did not identify any of the Policies on its schedules as executory contracts, and Trustee did not assume any of the Policies as executory contracts. Life insurance policies are not “executory contracts” as defined under the *Countryman* or functional approaches. As the Fifth Circuit recognized in the litigation arising from the Stanford International Bank *ponzi* scheme, “Courts in the Fifth Circuit have relied at times upon Countryman’s material breach test and have relied at other times upon more functional approaches.” *See* Janvey v. Alguire, No. 3:09-CV-0724-N, 2014 WL 12654910, at *8 (N.D. Tex. July 30, 2014), *aff’d*, 847 F.3d 231 (5th Cir. 2017).⁷

24. Under the *Countryman* test, “a contract is executory if performance remains due to some extent on both sides and if at the time of the bankruptcy filing, the failure of either party to complete performance would constitute a material breach of the contract, thereby excusing the performance of the other party.” *Matter of Provider Meds, L.L.C.*, 907 F.3d 845, 852 (5th Cir. 2018), *citing Phoenix Exploration, Inc. v. Yaquinto (In re Murexco Petroleum, Inc.)*, 15 F.3d 60, 62-63, (5th Cir. 1994) (*per curiam*); *accord Ocean Marine Servs. P’ship No. 1 v. Digicon, Inc. (In re Digicon, Inc.)*, No. 03-20121, 2003 WL 21418127, at *5 (5th Cir. 2003) (approving of district court language adopting this definition). However, like the Fifth Circuit, “several courts have rejected the traditional Countryman test as the sole benchmark for determining whether a contract is subject to assumption or rejection. These courts have employed a result-oriented approach which focuses upon whether or not

⁷ For example, compare *In re Murexco Petroleum, Inc.*, 15 F.3d 60, 62–63 (5th Cir. 1994) (“Courts applying § 365(a) have indicated that an agreement is executory if at the time of the bankruptcy filing, the failure of either party to complete performance would constitute a material breach of the contract, thereby excusing the performance of the other party.”), with *In re El Paso Refinery, L.P.*, 220 B.R. 37, 42 n.15 (Bankr. W.D. Tex. 1998) (“Examining the instant case in this manner also allows us—requires us, in fact—to exercise a functional approach to the executory contract. As has been noted elsewhere, the focus of the functional approach is not whether the contract is ‘executory,’ but instead whether its assumption or rejection could in any way benefit the estate.”)

the estate will benefit from the assumption or rejection of the contract rather than fundamentally looking at mutuality of commitments.” *In re Spectrum Information Technologies, Inc.*, 190 B.R. 741, 747 (E.D.N.Y. 1996).

25. Although a life insurance policy may contain covenants to be performed by both parties in the future, and therefore satisfy the logic and requirements of the *Countryman* test, the debtor’s failure to pay premiums post-petition does not result in the accrual of any administrative expense to the estate. The policy benefit simply lapses.⁸ Thus, when the court analyzes a life insurance policy using the “functional approach,” as was described in *In re Spectrum Information Technologies, Inc.*, 190 B.R. 741, 747 (E.D. N.Y. 1996), the life insurance policy is not an “executory contract” subject to deemed rejection. As the court in *Spectrum* explains: “it is necessary to work backward, proceeding from an examination of the goals rejection is expected to accomplish ... [i]f those purposes have already been accomplished or if they cannot be accomplished through rejection, then the contract is not executory within the meaning of the Code.”

26. Life insurance policies owned by a debtor, without any other contractual obligations attached, are certainly contracts with some executory features, but are not the kind of executory contracts which are subject to deemed rejection pursuant to 11 U.S.C Section 365(d). If the Debtor continues to pay premiums after sixty days from petition date, no rights under the insurance policies have changed, and the issuer of the insurance policy could not refuse to pay the death benefit if the insured died. Without regard to their executory or non-executory nature, Trustee, with Court approval,

⁸ See, *Bezanson v. Metropolitan Ins. and Annuity Co.*, 952 F.2d 1, 15 (1st Cir. 1991) (“[I]nsurance, perhaps particularly life insurance, where the insurer cannot refuse to renew, does not fit the conventional pattern. The policy owner, bankrupt or otherwise, has no obligation to pay premiums; he can stop at any time. He needs no court order. Correspondingly, the life insurer will never have a claim to file against the bankrupt, or concern as to the future. If the premium is paid when due, it will continue the policy; if it is not, it does not. Unlike a landlord, for example, advance notice of the policy owner’s intentions is of no moment.”).

may transfer all right, title and interest of the Estate in and to the In-Force Insurance Policies and the Lapsed Insurance Policies pursuant to 11. U.S.C. §363(b) and (f) to a Purchaser.

E. The Purchaser is acting in Good Faith and Negotiations have been at Arm’s Length.

27. Trustee has made inquiry of Purchaser with respect to its connection to Debtor, its affiliates and insiders. In paragraph 6(o) of the Stalking Horse Agreement, Exhibit D, Purchaser represents and warrants to Trustee with respect to his connections to the Debtor. One of the principals of the Purchaser is Mr. Chris Turner of Turner Logic, LLC (“**Turner Logic**”). Turner Logic is identified as a creditor of one or more of the jointly administered debtors. Turner Logic provided computer software services to the one of more the jointly administered debtors for use in the pinball machines under development. According to Mr. Turner, Turner Logic did not receive any payments from any jointly administered debtor within ninety days of filing of the petition. Neither Mr. Mueller nor any other insider of the jointly administered debtors have any interest in Purchaser or will receive a financial benefit from the proposed transaction.

28. Trustee and Trustee’s counsel have been negotiating the Stalking Horse Agreement with Purchaser for three weeks. Negotiations have been arms-length.

F. Stalking Horse Agreement

29. Subject to the provisions of this Sale Motion, Trustee has entered into the Stalking Horse Agreement, subject to the receipt and acceptance of an otherwise better Qualified Bid from a Qualified Bidder, as provided herein.

30. The Stalking Horse Agreement contains certain customary terms and conditions, including terms providing for the reimbursement of premiums amounting to approximately \$28,000.00, which Purchaser paid post-petition and prior to Trustee filing of this Sale Motion, and those which may be paid pursuant to the Stalking Horse Agreement as administrative expenses

pursuant to 11 U.S.C. 503, a break-up fee in favor of Purchaser in the amount of \$50,000.00, and the right to apply to the Court for the reimbursement of up to \$20,000.00 in reasonable and necessary attorney's fees, as described in the Stalking Horse Agreement (the "Bid Protections").

31. The Court should approve the Stalking Horse Agreement and Bid Protections. 32. Application of the business judgment standard is the correct legal standard when determining whether a break-up fee is permissible. *See, In re ASARCO, LLC*, 441 B.R. at 831. In *Official Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res., Inc.)*, 147

B.R. 650 (S.D.N.Y 1992) “the district court fashioned a three-question inquiry based on the business judgement rule, which it used to determine whether the break-up fee was permissible, asking: (1) is the relationship of the parties who negotiated the break-up fee tainted by self-dealing or manipulation; (2) does the fee hamper, rather than encourage bidding; and (3) is the amount of the fee unreasonable to the proposed purchase price?” *In re ASARCO, LLC*, 441 B.R. at 826 (citing, *Integrated Resources*).⁹

33. In the present action, the business judgment standard is appropriate to evaluate the Bid Protections given that investment in the Policies carries with it substantial risk, investment in the Policies is illiquid and the Policies are not readily resaleable, the life span of the insured is uncertain and no return will be realized until the insured dies, and premiums may increase substantially or policies may terminate if the insured(s) live past their life expectancy projection completely eliminating any expected return to the investor.

34. Trustee submits that in applying the foregoing three-question inquiry to the Sale Motion, the Court should find: first, that there is no evidence of any self-dealing or manipulation by or among Trustee and the principals of the Stalking Horse Bidder; second, approval of the Stalking Horse Agreement and proposed Bid Protections will facilitate the auction process by indicating to potential bidders there is value in the Policies, and by setting a floor for the purchase price that will encourage higher bids; and, third, the Bid Protections are reasonable given the amount of the Purchase Price and the provisions in the Stalking Horse Agreement that permit Trustee, with the Stalking Horse Bidder’s consent, to use the Deposit on Purchase Price to pay premiums in combined amounts equaling up to \$25,000.00, to maintain the enforceability of the In-Force Insurance Policies.

⁹ In deciding that the bankruptcy court had not erred in granting the debtor’s reimbursement motion, the district court in *ASARCO* applied the three-question inquiry proposed by the *Integrated Resources* court, finding: first, that there was no evidence of any self-dealing or manipulation by the parties who negotiated the reimbursement procedures, second, that the reimbursement order facilitated the auction process, even if no sale was ultimately made, and third, the size of the fee to paid to the bidders was reasonable in comparison to the of the size and complexity of the asset being sold. *Id.* at 831 - 832.

35. Purchaser has made its offer and has entered into the Stalking Horse Agreement in good faith. Other than an entity owned by the principal of the Purchaser having provided services to some of the jointly administered debtors prior to the Petition Date, neither Purchaser nor any of its owners, principals, agents, investors, lenders or any other persons who may benefit in some fashion from the Stalking Horse Agreement or its consummation, has any connection to the Debtor or its principal, Mr. Robert Mueller. Purchaser has no intention or agreement, written, oral or otherwise, to share in the profits, losses or in any other manner with Debtor, its principals, the other jointly administered debtors or an insider (including a non-statutory insider) as defined at 11 U.S.C. Section 101. Given the fact that the Stalking Horse Bidder has already paid two insurance premiums without any guarantee or promise that those monies would be repaid in the event this proposed transaction is not approved by the Court, there can be little doubt about their *bona fides*.

36. The Stalking Horse Agreement and the transactions contemplated thereby will be deemed a Qualified Bid for all purposes, and the Stalking Horse Bidder will be deemed to be a Qualified Bidder. Other than as provided by order of the Court prior to the entry of the Sale Order, no other party submitting a Bid shall be entitled to a break-up fee or reimbursement except for the Bid Protections for the Stalking Horse Bidder that are approved by the Court.

37. The Trustee in the exercise of his business judgment asks that the Stalking Horse Agreement with the Bid Protections be approved.

G. Sale Procedures

38. Pursuant to Bankruptcy Rule 6004(f)(1), a sale of property outside the ordinary course of business may be by private or public sale. Trustee believes that good cause exists to expose the Policies to a public sale. A public sale conducted substantially in accordance with the sale procedures (the "Sale Procedures"), attached hereto as Exhibit G, will enable Trustee to obtain the highest and best

offer for the Policies, thereby maximizing their value for the benefit of the Estate. The Sale Procedures provide for an expeditious manner to obtain the highest and best offers for the Policies. Therefore, Trustee respectfully requests that this Court approve the Sale Procedures.

39. Any party wishing to participate as a qualified bidder should submit (a) a sealed bid for the Policies (“**Bid**”), (b) a purchase agreement, signed by an authorized representative of such bidder, marked against the Stalking Horse Agreement to show all changes requested by such bidder, and (c) evidence of the bidder’s financial ability to close the transaction, to J. Patrick Lowe, Trustee, and (d) deposit Six Hundred Thousand and no/100 Dollars (\$600,000.00) with Trustee’s counsel, Randall A. Pulman, at Pulman, Cappuccio & Pullen, LLP, by no later than **March 31, 2022** (the “**Bid Deadline**”). Any such Bid submitted by the Bid Deadline shall be in the amount of at least One Million, Two Hundred and Fifty Thousand and no/100 Dollars (\$1,250,000.00) to be a qualified bid (“**Qualified Bid**”) and to allow the bidder to become a Qualified Bidder (“**Qualified Bidder**”). The deposit of all Qualified Bidders (except for the highest bidder (the “**Successful Bidder**”)) will be returned, without interest, to each Qualified Bidder as soon as reasonably practicable but in any event within seven (7) business days after the closing of the Sale.

40. By no later than noon on **April 1, 2022**, Trustee will file a notice (the “**Bid Notice**”) with the Court stating whether it has timely received a binding offer to purchase the Policies in a cash amount of at least \$1,250,000.00.

41. In the event that Trustee files the Bid Notice stating that it has not received a cash offer of at least \$1,250,000.00, the Court shall hold a final hearing to approve a sale of the Policies to the Stalking Horse Bidder, or its assignee, free and clear of all liens, claims, interests and encumbrances pursuant to 11 U.S.C. § 363. Such hearing shall be held seven (7) days following the filing of the Bid Notice, or as soon thereafter as may be schedule by the Court (the “**Sale Hearing**”).

42. In the event Trustee receives at least one Qualified Bid, counsel for Trustee will file the Bid Notice with the Court and notify the Court's courtroom deputy that the Sale Hearing will be held seven (7) days following the filing of the Bid Notice, or as soon thereafter as may be scheduled by the Court, where Trustee will seek approval of the sale of the Policies to the Successful Bidder.

43. In the event Trustee receives at least one Qualified Bid by the Bid Deadline, the Trustee may in his absolute discretion, exercising only his best business judgment on behalf of the estate, negotiate with the Stalking Horse Bidder and one or more of the Qualified Bidders on price and terms of the Qualified Bid and Trustee shall select the Successful Bidder.

44. The closing of the sale of the Policies shall occur no later than **May 2, 2022** (the "**Closing Deadline**"). The Closing Deadline may occur sooner and be modified upon agreement between Trustee and the Successful Bidder.

45. If any Successful Bidder fails to consummate a Sale because of a breach or failure to perform, the Qualified Bidder that submitted the next highest or otherwise best Qualified Bid (if any), as determined by Trustee (the "**Back-Up Bidder(s)**") will be deemed the Successful Bidder and Trustee will be authorized to consummate the Sale to such Back-Up Bidder without further order of the Court and such Qualified Bid shall thereupon be deemed the Successful Bid.

46. If any Successful Bidder fails to consummate the purchase of the Policies, and such failure is the result of a breach by such Successful Bidder, twenty-five percent (25%) of the Successful Bidder's deposit shall be forfeited to Debtor's Estate.

47. Any objection(s) filed to the sale of the Policies (i) shall be in writing and shall specify with particularity the grounds for such objections or other statements of position and (ii) shall be filed with the Court on or before March 31, 2022, or as otherwise may be determined by the Court (the "**Objection Deadline**"). Any person failing to timely file an objection to the Sale prior to the

Objection Deadline shall be forever barred from objecting to the Sale, including the transfer of the Policies free and clear of any and all liens, claims and other interests, and will be deemed to consent to the Sale. Any objections to the Sale Motion will be heard at the **Sale Hearing**.

48. Trustee reserves the right to (i) determine in its discretion whether any Qualified Bid is a Successful Bid, and (ii) reject, at any time prior to the entry of the Sale Order, without liability, any Bid that Trustee in its discretion, determines to be inadequate, insufficient, not in conformity with the Sale Procedures or the Bankruptcy Code, or contrary to the best interests of the Estate.

49. Trustee reserves the right to modify the Sale Procedures, without the need for any further order of the Court, including, without limitation (i) extending the deadlines set forth in these Sale Procedures, and (ii) requesting a continuance of the Sale Hearing. Nothing contained in the Sale Procedures shall limit, alter, modify, waive or otherwise impair Trustee's reasonable business judgment in relation to the sale process contemplated by the Sale Procedures.

H. Sale Notice

50. Bankruptcy Rule 2002(a) provides, in relevant part, that all creditors must be given at least twenty-one (21) days' notice by mail of a proposed use, sale or lease of property of the estate other than in the ordinary course of business. However, for "cause," the notice period can be shortened. Cause exists in this case, as the In-Force Insurance Policies must be sold, or they will lapse and be of no value. Trustee requests that notice be shortened to ten (10) days.

51. Within three business days after the Court enters an Order approving the Sale Motion, Trustee shall serve the Sale Notice ("**Sale Notice**") by (a) first-class United States mail, postage prepaid on (i) the parties identified on the Creditor Matrix in this Case at the addresses set forth therein, (ii) the parties that have filed proofs of claim in this Case at the addresses set forth in the respective proofs of claim, and (iii) any other parties who have expressed an interest in acquiring the Policies; and (b) the Court's electronic filing system on those parties receiving electronic notice by

such system. Service of such Sale Notice is proper, due, timely, good, and sufficient notice of, among other things, the Sale Procedures, the auction, the proposed Sale, and the procedure for objecting thereto. Additionally, Trustee may provide publication notice but only to the extent that Trustee believes such additional notice would improve the results of the auction and is in the best interest of the estate. A proposed form of Sale Notice is attached hereto as Exhibit H.

I. Relief from Bankruptcy Rule 6004(h) is Appropriate

52. Under Bankruptcy Rule 6004(h), unless the court orders otherwise, all orders authorizing the sale of property pursuant to section 363 of the Bankruptcy Code are automatically stayed for fourteen days after entry of the order. Fed. R. Bankr. P. 6004(h). The purpose of Bankruptcy Rule 6004(h) is to provide sufficient time for an objecting party to appeal before the order is implemented. *See* Advisory Committee Notes to Fed. R. Bankr. P. 6004(h).

53. To preserve the value of Trustee's estate and limit the costs of administering and preserving the Property, it is critical that Trustee close the sale of the Policies as soon as possible after all closing conditions have been met or waived. Accordingly, the hereby request that the Court waive the fourteen-day stay periods under Bankruptcy Rules 6004(h).

54. The following proposed orders are attached hereto for the Court's consideration: (i) Order Authorizing and Approving Stalking Horse Agreement, Bid Procedures and Form of Notice of Sale ("**Sale Procedures Order**"), attached as Exhibit D; and (ii) Order Authorizing and Approving the Sale of Certain Personal Property Free and Clear of All Interests Pursuant to 11 U.S.C. §§ 363(b) and (f), ("**Sale Order**"), attached as Exhibit E.

VI. PRAYER

WHEREFORE, Trustee respectfully requests that the Court enter Orders approving (a) the Stalking Horse Agreement, Stalking Horse Bidder and Bid Protections; (b) the Sale and Bidding

Procedures; (c) the form and manner of the Sale Notice; (d) the date and time to conduct the auction at the Sale Hearing; (e) waiving the fourteen-day periods under Bankruptcy Rules 6004(h); (f) and (g) such other relief, both at law and in equity to which Trustee may be justly entitled.

STALKING HORSE AGREEMENT

LIFE INSURANCE POLICY PURCHASE AND SALE AGREEMENT

This LIFE INSURANCE POLICY PURCHASE AND SALE AGREEMENT ("Agreement") is made and entered into as of March __, 2022, by and between J. PATRICK LOWE, the chapter 7 Trustee for the estate of *In re Policy Services, Inc.*, Case No. 21-51513, in the United States Bankruptcy Court of the Western District of Texas, San Antonio, Division, which case is being Jointly Administered under *In re deeproot Capital Management, LLC, et al.*, Case No. 21-51523, in the United States Bankruptcy Court of the Western District of Texas, San Antonio, Division (“Seller” and/or “Trustee”), and TuYo Holdings, LLC, a Texas limited liability company ("Purchaser") (and together, the “Parties”).

RECITALS

- A. Policy Services, Inc., a Texas corporation, (“Debtor”) the owner and sole beneficiary of the Policies (defined below), filed for Chapter 7 bankruptcy on December 9, 2021, in the United States Bankruptcy Court of the Western District of Texas, San Antonio, Division, Case No. 21-51513, which case is being Jointly Administered in said Court under *In re deeproot Capital Management, LLC, et al.*, Case No. 21-51523 (“Bankruptcy Case”).
- B. Debtor was in the business of purchasing and holding existing life insurance policies as investments. Some of the insurance policies purchased by Debtor have already lapsed due to non-payment of premium.
- C. Trustee, in connection with the performance of his statutory duties, and in the exercise of his best business judgement has determined that the sale of the life insurance policies believed to remain in force (described below) to Purchaser is in the best interests of the bankruptcy estate.
- D. Purchaser has paid directly to two insurance companies premiums totaling \$28,079.66 which were due post-petition for the purpose of keeping these two insurance policies in a paid up status with the insurance companies.
- E. In connection with the purchase and sale of the life insurance policies, counsel to Trustee will prepare and file a Motion to Sell and other ancillary motions with the Court in the Bankruptcy Case. Each motion must be granted, and the requested relief ordered by the Court before the sale of the life insurance policies contemplated by this Agreement may be closed.
- F. Purchaser is aware of the risks associated with the purchase of existing and lapsed life insurance policies.
- G. Seller desires to sell to Purchaser the life insurance policies described on **Exhibit A**, attached hereto (each a “Policy” and collectively, the “Policies”).
- H. Each of the Policies remaining in force require the ongoing payment of premiums in order to keep said Policies in force. Purchaser and Trustee have agreed on a mechanism for Purchaser to fund the payment of insurance premiums going forward from now until a sale is approved by the Bankruptcy Court.
- I. Trustee will also assign and convey to Purchaser all rights, title and interest (including the right to reinstatement) that Trustee or the Debtor holds in the lapsed insurance policies described on **Exhibit B**, attached hereto (each a “Lapsed Policy” and collectively, the “Lapsed Policies”). Purchaser intends to seek reinstatement of the Lapsed Policies through administrative and legal processes.

J. Purchaser desires to purchase all rights, title and interest in and to the Policies and the Lapsed Policies in accordance with the terms and conditions of this Agreement.

AGREEMENT

NOW THEREFORE, for and in consideration of the RECITALS, which are incorporated into this Agreement, the mutual promises and covenants set further herein and for the other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties hereto agree as follows:

1. **Purchase Price; Closing.**

(a) Purchaser hereby agrees to pay \$1,078,389.36 (“Purchase Price”) for the sole purpose of acquiring all rights, title and interest in and to the Policies and Lapsed Policies. Purchaser hereby agrees to immediately deposit into the IOLTA account of Trustee’s counsel, acting on behalf of Seller, the sum of \$540,000.00 (“Deposit on Purchase Price”) for the sole purpose of acquiring all rights, title and interest in and to the Policies. Said funds shall be held in trust in an IOLTA account controlled by Trustee’s counsel and shall be disbursed immediately to Seller upon the proper transfer of the ownership and beneficiary of the Policies to Purchaser (the “Closing”). The balance of the Purchase Price remaining unpaid after the Deposit has been made shall be paid by Purchaser to Seller at Closing. Purchaser shall cause the Deposit on Purchase Price and all other payments to the Seller to be wired to Trustee’s counsel IOLTA account using the following instructions:

(b) Purchaser will endeavor to reinstate each of the Lapsed Policies conveyed to it as part of this Agreement. As additional consideration and in addition to the Purchase Price listed above, Purchaser agrees to remit to Trustee fifty percent (50%) of the Net Insurance Benefits (as defined below) resulting from the successful reinstatement of a Lapsed Policy or its sale to a third party, subject to the terms and conditions herein. Purchaser shall not be required to exhaust any and all legal remedies available to it, but shall instead be entitled to exercise its business judgment in pursuing reinstatement of each individual Lapsed Policy. To the extent Purchaser is successful in reinstating any one Lapsed Policy and Purchaser receives payment of an associated insurance benefit or proceeds from the sale of the reinstated policy (“Gross Insurance Benefit”), Purchaser shall be entitled to reimburse itself for all expenses collectively incurred during Purchaser’s reinstatement efforts for all of the Lapsed Polices. Within ten (10) days after receiving the Gross Insurance Benefits and reimbursing itself for its reimbursable expenses, Purchaser agrees to pay to Trustee an amount equal to fifty percent (50%) of the remaining insurance benefit actually received (“Net Insurance Benefit”). Purchaser’s reimbursable expenses shall include, but will not be limited

to, reasonable and necessary attorney's fees, costs of court, insurance premium payments, administrative fees, brokerage fees, and any other fees reasonably related to reinstatement and maintenance of the Lapsed Policy. Reimbursable expenses do not include the costs and attorney's fees incurred by Purchaser in connection with this Agreement or acquiring the rights to the Policies or Lapsed Policies from Seller.

2. **Payment of Insurance Premiums prior to Closing.**

- a. Purchaser acknowledges that Trustee is without sufficient funds in the Policy Services, Inc. Estate to pay any insurance premiums going forward. In the likely event that insurance premiums for the Policies come due before the Order approving the sale and granting the Motion becomes final, Trustee may use a portion of the Deposit on Purchase Price to pay any such life insurance premium then due, in an amount up to \$25,000, only after receiving the written consent of the Purchaser, which shall not be unreasonably withheld for a period of thirty (30) days after the execution of this Agreement. Alternatively, provided that Purchaser gives advance notice to Trustee and Trustee gives his written approval, which shall not be unreasonably withheld, Purchaser may directly pay the insurance premium then due using Purchaser's separate funds. At Closing, Purchaser will receive a credit to the Purchase Price for any premiums paid directly by Purchaser.
- b. If Trustee's Motion to Sell (defined below) is denied by the Bankruptcy Court, then the Deposit on Purchase Price, less any premiums paid therefrom by the Trustee, shall be refunded to Purchaser eleven (11) days from the date that the Bankruptcy Court's denial of Trustee's Motion becomes final. In such event this Agreement shall terminate. In such event, Purchaser waives its right to apply to the court for the reimbursement of an administrative expense pursuant to 11 U.S.C Section 503 or for repayment of a post-petition loan pursuant to 11 U.S.C. 364, or under any like statute or legal theory.
- c. If Trustee's Motion to Sell is granted by the Bankruptcy Court, but a third-party outbids Purchaser and such third-party is subsequently approved as the purchaser, then the Deposit on Purchase Price (including all premiums paid by the Trustee therefrom and any premiums directly paid by Purchaser) shall be treated as an administrative expense of the Policy Services, Inc. Estate pursuant to 11 U.S.C. Section 503 and refunded to Purchaser. In such event, Purchaser shall also receive the Stalking Horse Fee (described below) and reasonable and necessary attorney's fees as approved by the Bankruptcy Court, and this Agreement shall terminate.

3. **Motion to Sell, and Stalking Horse Bid and Procedures.**

- (a) Seller agrees to file a motion to sell the Policies and Lapsed Policies pursuant to 11 U.S.C Sections 363 and to the extent necessary Section 364 in order to authorize the payment of insurance premiums by the Purchaser prior to closing (the "Motion to Sell"), within three (3) business days after the effective date of this Agreement, seeking entry of an order of the Bankruptcy Court ("Order") approving the sale pursuant to the terms of this Agreement. If entry of the Order approving the sale has not occurred within 30days after the effective date of the Agreement, Purchaser may terminate the Agreement by written notice to Seller. If Court

approval is denied, the Agreement shall automatically terminate, and the Deposit on Purchase Price shall be returned to Purchaser pursuant to the provisions of Section 2(b) above.

- (b) Purchaser acknowledges that Seller will submit this Agreement to the Bankruptcy Court for approval and that any other interested party will have the right to bid on the Policies and the Lapsed Policies.
- (c) Trustee shall present Purchaser's offer to the Bankruptcy Court as a stalking horse bid on the Policies and Lapsed pursuant to Bid Procedures provided to Purchaser and approved by the Bankruptcy Court. In the event another purchaser offers a better offer to the Trustee (a "Topping Bid"), as determined solely in exercise of the Trustee's best business judgment and discretion, and the Trustee accepts the Topping Bid, Trustee covenants to do the following:
 - 1) Refund to the Purchaser the Deposit on Purchase Price including the amount of premiums that may have been paid (either from the Deposit on Purchase Price or directly by Purchaser) in the interim within ten (10) days of the Order of Sale becoming final, and
 - 2) As consideration for entering into this Agreement and allowing Trustee to use the Deposit on Purchase Price to pay premiums in order to keep the Policies in force, Trustee will seek authorization to pay to Purchaser an additional amount equal to \$50,000.00 as a stalking horse fee, plus Purchaser's reasonable and necessary attorney's fees as approved by the Court, in an amount not to exceed \$20,000 (collectively, the "Stalking Horse Fee").
 - 3) Trustee covenants to defend the adequacy and reasonableness of the Stalking Horse Fee, however, Purchaser acknowledges that the Bankruptcy Court must approve the amount of the Stalking Horse Fee and the payment thereof to Purchaser.
 - 4) In all circumstances, the Trustee reserves the right to negotiate for a better offer from all bidders.

4. **Conveyance of Ownership Rights to Purchaser.**

- a) After entry of the Bankruptcy Court's Order approving the sale pursuant to the terms of this Agreement, Trustee shall make best efforts to cause each respective life insurance company to transfer record ownership of all rights, title and interest in and to each of the Policies and Lapsed Policies to Purchaser as soon as practicable. The parties contemplate the individual transfer of record ownership of each Policy and Lapsed Policy to occur as soon as practicable for each such individual Policy or Lapsed Policy, notwithstanding delays to the transfer of other Policies or Lapsed Policies. Trustee will execute all documents reasonably required by the Purchaser and issuing insurance company to accomplish a transfer of ownership of the Policies.
- b) If any of the insured individuals under any of the Policies die after the execution of this Agreement, but before the entry of the Bankruptcy Court's Order approving the sale pursuant to the terms of this Agreement, Purchaser and Trustee shall each be entitled to 50% of the associated death benefit (the "Death Benefit") of the subject policy. The subject policy will be withdrawn from the Policies to be transferred to Purchaser; there shall be no

adjustment to the Purchase Price. Within ten (10) days after receiving the Death Benefit, or within such time as may otherwise be approved by the Court in the Bankruptcy Case, Trustee agrees to pay to Purchaser an amount equal to 50% of the Death Benefit of the subject policy received by Trustee.

- c) If, after the entry of the Bankruptcy Court's Order approving the sale pursuant to the terms of this Agreement and Trustee's receipt of the balance of the Purchase Price, an insured individual under any Policy dies, Purchaser shall be entitled to receive 100% of the Death Benefit of such Policy, even if the death of such insured individual occurs prior to the effective transfer of record ownership of such Policy to Purchaser.

5. **Seller's Duties:**

- a) Seller shall make best efforts to provide Purchaser access to Debtor's life insurance files that are within the custody and control of Seller that contain documents and information concerning the Policies and the Lapsed Policies, which may include, copies of life insurance policies, life expectancy evaluations, premium illustrations, policy funding agreements, transfer of ownership forms, premium statements, grace notices, past due payment notices, correspondence, and medical records and other personally identifiable information of the insureds. ARTICLE VII FRACTIONALIZED POLICY DISCLOSURE

Oftentimes a singular life settlement policy cannot be fully purchased by one Purchaser. In such case, the policy may be fractionalized. That is, the policy will have two or more distinct Purchasers who will each own a pro rata share of such policy's Death Benefits rights, and also be responsible for each's pro rata share of any costs (if any) or future premium requirements (if any). Such pro rata share shall be calculated as to the percentage ownership of each Purchaser's purchase amount, as compared to the total acquisition cost.

As Purchaser desires to purchase Death Benefit rights in a Life Settlement that may be fractionalized, Purchaser voluntarily enters into this pooled transaction as an accredited investor and acknowledges that such fractionalization is in the best interest of Purchaser. Purchaser further agrees to own Purchaser's pro rata share with other third party purchasers as provided herein as a private transaction in non-securitized form. Purchaser agrees that Purchaser will not own any more or less than Purchaser's pro rata share of the life settlement policy, and therefore: will not receive any more or less than Purchaser's pro rata share of the death benefit, nor be required to pay any more or less than Purchaser's pro rata share of any future premiums (if any).

If one or more laws, regulations, judicial decisions, or jurisdictions determine that your ownership interest is indeed a security after the purchase thereof,

Policy Acquisition Application & Life Settlement Disclosures

then you acknowledge you entered into this transaction with full disclosure of that possibility and hereby waive all claims and indemnify us, our successors and assigns of any intentional, negligent, fraudulent, etc. misrepresentation or other communication or improper solicitation to the contrary.

RECITALS

- A. Policy Services, Inc., a Texas corporation, (“Debtor”) the owner and sole beneficiary of the Policies (defined below), filed for Chapter 7 bankruptcy on December 9, 2021, in the United States Bankruptcy Court of the Western District of Texas, San Antonio, Division, Case No. 21-51513, which case is being Jointly Administered in said Court under *In re deeproot Capital Management, LLC, et al.*, Case No. 21-51523 (“Bankruptcy Case”).
- B. Debtor was in the business of purchasing and holding existing life insurance policies as investments. Some of the insurance policies purchased by Debtor have already lapsed due to non-payment of premium.
- C. Trustee, in connection with the performance of his statutory duties, and in the exercise of his best business judgement has determined that the sale of the life insurance policies believed to remain in force (described below) to Purchaser is in the best interests of the bankruptcy estate.
- D. Purchaser has paid directly to two insurance companies premiums totaling \$28,079.66 which were due post-petition for the purpose of keeping these two insurance policies in a paid up status with the insurance companies.
- E. In connection with the purchase and sale of the life insurance policies, counsel to Trustee will prepare and file a Motion to Sell and other ancillary motions with the Court in the Bankruptcy Case. Each motion must be granted, and the requested relief ordered by the Court before the sale of the life insurance policies contemplated by this Agreement may be closed.
- F. Purchaser is aware of the risks associated with the purchase of existing and lapsed life insurance policies.
- G. Seller desires to sell to Purchaser the life insurance policies described on **Exhibit A**, attached hereto (each a “Policy” and collectively, the “Policies”).
- H. Each of the Policies remaining in force require the ongoing payment of premiums in order to keep said Policies in force. Purchaser and Trustee have agreed on a mechanism for Purchaser to fund the payment of insurance premiums going forward from now until a sale is approved by the Bankruptcy Court.
- I. Trustee will also assign and convey to Purchaser all rights, title and interest (including the right to reinstatement) that Trustee or the Debtor holds in the lapsed insurance policies described on **Exhibit B**, attached hereto (each a “Lapsed Policy” and collectively, the “Lapsed Policies”). Purchaser intends to seek reinstatement of the Lapsed Policies through administrative and legal processes.

J. Purchaser desires to purchase all rights, title and interest in and to the Policies and the Lapsed Policies in accordance with the terms and conditions of this Agreement.

AGREEMENT

NOW THEREFORE, for and in consideration of the RECITALS, which are incorporated into this Agreement, the mutual promises and covenants set further herein and for the other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties hereto agree as follows:

1. **Purchase Price; Closing.**

(a) Purchaser hereby agrees to pay \$1,078,389.36 (“Purchase Price”) for the sole purpose of acquiring all rights, title and interest in and to the Policies and Lapsed Policies. Purchaser hereby agrees to immediately deposit into the IOLTA account of Trustee’s counsel, acting on behalf of Seller, the sum of \$540,000.00 (“Deposit on Purchase Price”) for the sole purpose of acquiring all rights, title and interest in and to the Policies. Said funds shall be held in trust in an IOLTA account controlled by Trustee’s counsel and shall be disbursed immediately to Seller upon the proper transfer of the ownership and beneficiary of the Policies to Purchaser (the “Closing”). The balance of the Purchase Price remaining unpaid after the Deposit has been made shall be paid by Purchaser to Seller at Closing. Purchaser shall cause the Deposit on Purchase Price and all other payments to the Seller to be wired to Trustee’s counsel IOLTA account using the following instructions:

10th Floor South

(b) Purchaser will endeavor to reinstate each of the Lapsed Policies conveyed to it as part of this Agreement. As additional consideration and in addition to the Purchase Price listed above, Purchaser agrees to remit to Trustee fifty percent (50%) of the Net Insurance Benefits (as defined below) resulting from the successful reinstatement of a Lapsed Policy or its sale to a third party, subject to the terms and conditions herein. Purchaser shall not be required to exhaust any and all legal remedies available to it, but shall instead be entitled to exercise its business judgment in pursuing reinstatement of each individual Lapsed Policy. To the extent Purchaser is successful in reinstating any one Lapsed Policy and Purchaser receives payment of an associated insurance benefit or proceeds from the sale of the reinstated policy (“Gross Insurance Benefit”), Purchaser shall be entitled to reimburse itself for all expenses collectively incurred during Purchaser’s reinstatement efforts for all of the Lapsed Policies. Within ten (10) days after receiving the Gross Insurance Benefits and reimbursing itself for its reimbursable expenses, Purchaser agrees to pay to Trustee an amount equal to fifty percent (50%) of the remaining insurance benefit actually received (“Net Insurance Benefit”). Purchaser’s reimbursable expenses shall include, but will not be limited

to, reasonable and necessary attorney's fees, costs of court, insurance premium payments, administrative fees, brokerage fees, and any other fees reasonably related to reinstatement and maintenance of the Lapsed Policy. Reimbursable expenses do not include the costs and attorney's fees incurred by Purchaser in connection with this Agreement or acquiring the rights to the Policies or Lapsed Policies from Seller.

2. **Payment of Insurance Premiums prior to Closing.**

- a. Purchaser acknowledges that Trustee is without sufficient funds in the Policy Services, Inc. Estate to pay any insurance premiums going forward. In the likely event that insurance premiums for the Policies come due before the Order approving the sale and granting the Motion becomes final, Trustee may use a portion of the Deposit on Purchase Price to pay any such life insurance premium then due, in an amount up to \$25,000, only after receiving the written consent of the Purchaser, which shall not be unreasonably withheld for a period of thirty (30) days after the execution of this Agreement. Alternatively, provided that Purchaser gives advance notice to Trustee and Trustee gives his written approval, which shall not be unreasonably withheld, Purchaser may directly pay the insurance premium then due using Purchaser's separate funds. At Closing, Purchaser will receive a credit to the Purchase Price for any premiums paid directly by Purchaser.
- b. If Trustee's Motion to Sell (defined below) is denied by the Bankruptcy Court, then the Deposit on Purchase Price, less any premiums paid therefrom by the Trustee, shall be refunded to Purchaser eleven (11) days from the date that the Bankruptcy Court's denial of Trustee's Motion becomes final. In such event this Agreement shall terminate. In such event, Purchaser waives its right to apply to the court for the reimbursement of an administrative expense pursuant to 11 U.S.C Section 503 or for repayment of a post-petition loan pursuant to 11 U.S.C. 364, or under any like statute or legal theory.
- c. If Trustee's Motion to Sell is granted by the Bankruptcy Court, but a third-party outbids Purchaser and such third-party is subsequently approved as the purchaser, then the Deposit on Purchase Price (including all premiums paid by the Trustee therefrom and any premiums directly paid by Purchaser) shall be treated as an administrative expense of the Policy Services, Inc. Estate pursuant to 11 U.S.C. Section 503 and refunded to Purchaser. In such event, Purchaser shall also receive the Stalking Horse Fee (described below) and reasonable and necessary attorney's fees as approved by the Bankruptcy Court, and this Agreement shall terminate.

3. **Motion to Sell, and Stalking Horse Bid and Procedures.**

- (a) Seller agrees to file a motion to sell the Policies and Lapsed Policies pursuant to 11 U.S.C Sections 363 and to the extent necessary Section 364 in order to authorize the payment of insurance premiums by the Purchaser prior to closing (the "Motion to Sell"), within three (3) business days after the effective date of this Agreement, seeking entry of an order of the Bankruptcy Court ("Order") approving the sale pursuant to the terms of this Agreement. If entry of the Order approving the sale has not occurred within 30days after the effective date of the Agreement, Purchaser may terminate the Agreement by written notice to Seller. If Court

approval is denied, the Agreement shall automatically terminate, and the Deposit on Purchase Price shall be returned to Purchaser pursuant to the provisions of Section 2(b) above.

- (b) Purchaser acknowledges that Seller will submit this Agreement to the Bankruptcy Court for approval and that any other interested party will have the right to bid on the Policies and the Lapsed Policies.
- (c) Trustee shall present Purchaser's offer to the Bankruptcy Court as a stalking horse bid on the Policies and Lapsed pursuant to Bid Procedures provided to Purchaser and approved by the Bankruptcy Court. In the event another purchaser offers a better offer to the Trustee (a "Topping Bid"), as determined solely in exercise of the Trustee's best business judgment and discretion, and the Trustee accepts the Topping Bid, Trustee covenants to do the following:
 - 1) Refund to the Purchaser the Deposit on Purchase Price including the amount of premiums that may have been paid (either from the Deposit on Purchase Price or directly by Purchaser) in the interim within ten (10) days of the Order of Sale becoming final, and
 - 2) As consideration for entering into this Agreement and allowing Trustee to use the Deposit on Purchase Price to pay premiums in order to keep the Policies in force, Trustee will seek authorization to pay to Purchaser an additional amount equal to \$50,000.00 as a stalking horse fee, plus Purchaser's reasonable and necessary attorney's fees as approved by the Court, in an amount not to exceed \$20,000 (collectively, the "Stalking Horse Fee").
 - 3) Trustee covenants to defend the adequacy and reasonableness of the Stalking Horse Fee, however, Purchaser acknowledges that the Bankruptcy Court must approve the amount of the Stalking Horse Fee and the payment thereof to Purchaser.
 - 4) In all circumstances, the Trustee reserves the right to negotiate for a better offer from all bidders.

4. **Conveyance of Ownership Rights to Purchaser.**

- a) After entry of the Bankruptcy Court's Order approving the sale pursuant to the terms of this Agreement, Trustee shall make best efforts to cause each respective life insurance company to transfer record ownership of all rights, title and interest in and to each of the Policies and Lapsed Policies to Purchaser as soon as practicable. The parties contemplate the individual transfer of record ownership of each Policy and Lapsed Policy to occur as soon as practicable for each such individual Policy or Lapsed Policy, notwithstanding delays to the transfer of other Policies or Lapsed Policies. Trustee will execute all documents reasonably required by the Purchaser and issuing insurance company to accomplish a transfer of ownership of the Policies.
- b) If any of the insured individuals under any of the Policies die after the execution of this Agreement, but before the entry of the Bankruptcy Court's Order approving the sale pursuant to the terms of this Agreement, Purchaser and Trustee shall each be entitled to 50% of the associated death benefit (the "Death Benefit") of the subject policy. The subject policy will be withdrawn from the Policies to be transferred to Purchaser; there shall be no

adjustment to the Purchase Price. Within ten (10) days after receiving the Death Benefit, or within such time as may otherwise be approved by the Court in the Bankruptcy Case, Trustee agrees to pay to Purchaser an amount equal to 50% of the Death Benefit of the subject policy received by Trustee.

- c) If, after the entry of the Bankruptcy Court's Order approving the sale pursuant to the terms of this Agreement and Trustee's receipt of the balance of the Purchase Price, an insured individual under any Policy dies, Purchaser shall be entitled to receive 100% of the Death Benefit of such Policy, even if the death of such insured individual occurs prior to the effective transfer of record ownership of such Policy to Purchaser.

5. **Seller's Duties:**

- a) Seller shall make best efforts to provide Purchaser access to Debtor's life insurance files that are within the custody and control of Seller that contain documents and information concerning the Policies and the Lapsed Policies, which may include, copies of life insurance policies, life expectancy evaluations, premium illustrations, policy funding agreements, transfer of ownership forms, premium statements, grace notices, past due payment notices, correspondence, and medical records and other personally identifiable information of the insureds. Debtor's life insurance policy files shall be made available to Purchaser for review and copying during regular business hours, upon reasonable advance notice, at the offices of Trustee's counsel. NEITHER TRUSTEE NOR ITS COUNSEL MAKES ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OR COMPLETENESS OF DEBTOR'S LIFE INSURANCE POLICY FILES OR THE ACCURACY, COMPLETENESS, ADEQUACY, OR TRUTHFULNESS OF THE DOCUMENTS, INFORMATION OR DATA CONTAINED THEREIN. LIKEWISE, NEITHER TRUSTEE NOR ITS COUNSEL MAKES ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY, COMPLETENESS, OR ADEQUACY OF ANY SUMMARIES, SPREADSHEETS OR MEMORANDA CONCERNING SUCH FILES, DOCUMENTS, INFORMATION OR DATA THAT HAVE BEEN PREPARED BY TRUSTEE OR TRUSTEE'S COUNSEL AND THAT MAY BE PROVIDED TO PURCHASER BY TRUSTEE OR TRUSTEE'S COUNSEL IN CONNECTION WITH THIS AGREEMENT OR THAT MAY OTHERWISE BE FOUND WITHIN DEBTOR'S LIFE INSURANCE POLICY FILES.
- b) Seller agrees to execute all required documents and forms and to take all steps necessary, to effect the transfer of ownership of the Policies and the Lapsed Policies to Purchaser.
- c) Seller shall perform, or cause to be performed, the Closing, which shall include obtaining a verification of coverage from the respective issuing insurance companies verifying th the Policy or Policies in question are in force, have no liens or loans against them and that the owners and beneficiaries are correctly listed as owners and beneficiaries on the records of the insurance companies that issued the Policies.
- d) Seller through Trustee's counsel shall file a Motion to Sell pursuant to 11 U.S.C Section 363 together with a Motion to Approve Bid Process, and a Motion to Expedite the consideration of the Motion to Sell and the Motion to Approve Bid Process. Trustee's counsel shall file such Motions within three (3) business days of receipt of the Purchase Price by Trustee's Counsel.

On March ___, 2022 the Court conducted a hearing on the *Motion* of John Patrick Lowe, the Trustee (“**Trustee**”) of the bankruptcy estate of in the case of In re Policy Services, Inc., Case No. 21-51513, (“**Policy Services**”) which case is jointly administered with that of deeproot Capital Management, LLC and other related entities at Case No. 21-51523-mmp, *for an Order Authorizing and Approving the Sale of Certain Personal Property Free and Clear of Interests Pursuant to 11 U.S.C. §§ 363(b) and (f)* (the “**Sale Motion**”) concerning personal property described as follows:

Life Insurance Policies detailed on Exhibit “A-1” to the Sale Motion and attached hereto as Exhibit A, and incorporated by this reference (the “**In-Force Insurance Policies**”);

Life Insurance Policies detailed on Exhibit “A-2”: to the Sale Motion and attached hereto as Exhibit B, and incorporated by this reference (the “**Lapsed Insurance Policies**”),

The “In-Force Insurance Policies” and the “Lapsed Insurance Policies” are referred to herein, collectively, as “**the Assets**”. The sale and conveyance of the Assets for which approval is sought is occasionally referred to herein as “the Sale”. The Court has reviewed the Sale Motion and has heard the evidence in support of the relief requested therein at a hearing before the Court on _____, 2022 (the “**Sale Hearing**”). The Court considered any objections to the Sale Motion, each of which are overruled, resolved, or withdrawn; and including the announcements and agreements stated on the record at the hearing, the Court has determined that the legal and factual bases set forth in the Sale Motion and at the Sale Hearing establish just cause for the relief granted herein. After due deliberation the Court finds that:

1. Jurisdiction and Venue. This Court has jurisdiction over this bankruptcy case and the Sale Motion pursuant to 28 U.S.C. §§ 157 and 1334 and 11 U.S.C. § 105(a). This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2)(A) and (M). Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409(a).

2. Statutory Predicates. The statutory predicates for the relief sought in the Sale Motion are sections 105(a) and 363 of the Bankruptcy Code, Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) 2002, 6004, 9007 and 9014, and the applicable Local Rules for the United States Bankruptcy Court for the Western District of Texas (the “**Local Rules**”).

3. Final Order. This order approving the Sale Motion (the “**Order**”) constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and to any extent necessary under Bankruptcy Rules 9014, Rule 54(b) of the Federal Rules of Civil Procedure, made applicable by Bankruptcy Rule 7054, and any other applicable rule or law, the Court expressly finds that there is no just reason for the delay in the implementation of this Order, waives any stay, and expressly directs entry of the order as set forth herein. This Order shall be effective and enforceable immediately upon entry.

4. Notice. As evidenced by the certificates of service filed with this Court, based upon the record of the case and representations of counsel at the Sale Hearing: (i) in accordance with inter alia, Bankruptcy Rule 2002, due proper, timely, adequate and sufficient notice of the Sale Motion and the transactions contemplated by Sales Procedures Order (Docket No. _____) (the “**Sale**”) has been provided; (ii) no other or further notice need be provided; (iii) such notice was and is good, sufficient and appropriate under the circumstances of this bankruptcy case; and (iv) no other or further notice of the Sale Motion, the Sale Hearing or the Sale is or shall be required. The disclosures made by the Trustee concerning the Sale Motion, the Sale, the Sale Hearing were reasonable, adequate, and complete.

5. Opportunity to Object. A reasonable opportunity to object and to be heard with respect to the proposed Sale, the Sale Motion and the relief requested therein has been given to

all interested persons and entities, including, without limitation, the following: (i) all potential purchasers previously identified by the Trustee and any additional parties who have expressed an interest in potentially acquiring the In-Force Insurance Policies and the Lapsed Insurance Policies, including those parties that have submitted formal expressions of interest; (ii) all other potentially interested parties identified by the Trustee in his business judgment as a potential purchaser of the In-Force Insurance Policies and the Lapsed Insurance Policies; (iii) the Office of the United States Trustee; (iv) all applicable federal, state and local regulatory or taxing authorities; and (v) the debtors and all parties on the most current service list.

6. Arm's-Length Sale. The Sale was negotiated, proposed, and entered into by the Trustee of behalf of Policy Services, Inc. and TuYo, Holdings, LLC, a Texas limited liability company [**“Turner-Yost Entity”**] for the purchase price of \$1,078,389.36, and such additional consideration as provided in the Life Insurance Policy Purchase and Sale Agreement with respect to Lapsed Policies, without collusion, in good faith and from arm's-length bargaining positions. Neither the Trustee nor the Turner-Yost Entity, nor any of their respective representatives, have engaged in any conduct that would cause or permit the Sale to be avoided under section 363(n) of the Bankruptcy Code. Specifically, neither the Turner-Yost Entity, nor any of its representatives have acted in a collusive manner with any person. The terms and conditions of the Sale and the transaction contemplated thereby (including without limitation the consideration provided in respect thereof) are fair and reasonable and shall not be avoided under section 363(n) of the Bankruptcy Code.

7. Good Faith Purchaser. Turner-Yost Entity is purchasing the In-Force Insurance Policies and the Lapsed Insurance Policies in good faith and is a good faith purchaser of the Assets within the meaning of section 363(m) of the Bankruptcy Code and is therefore entitled to

all of the protections afforded by that provision. Turner-Yost Entity and its representatives have proceeded in good faith and without collusion in all respects in connection with the Sale and Sale Hearing.

8. Sale in the Best Interests of the Trustee, the Debtors' Estates and Creditors. Good and sufficient reasons for approval of the Sale have been articulated, and the relief requested in the Sale Motion and granted herein is in the best interest of the Trustee, Policy Services, Inc., and the other Debtors, their estates, their creditors, and other parties in interest.

9. Business Justification. The Trustee has demonstrated both (i) good, sufficient and sound business purposes and justifications and (ii) compelling circumstances for the Sale outside of the ordinary course of business under section 363(f) of the Bankruptcy Code in that, among other things, the immediate approval by this Court of the Sale to Turner-Yost Entity is necessary and appropriate to maximize the value of the Debtors' estates. Given all the circumstances of this bankruptcy case and the adequacy and fair value of the purchase price, the proposed Sale constitutes a reasonable and sound exercise of the Trustee's business judgment and should be approved.

10. Free and Clear. Policy Services, Inc. is the sole and lawful owners of the In-Force Insurance Policies and the Lapsed Insurance Policies. The conveyance of the In-Force Insurance Policies will be a legal, valid, and effective transfer of the Assets and vests or will vest Turner-Yost Entity with all right, title, and interest of the Debtors to the Assets free and clear of all interests to the fullest extent permitted under 11 U.S.C. §363(f) including without limitation all liens (as defined in section 101(37) of the Bankruptcy Code, whether consensual, statutory, possessory, judicial or otherwise), claims (as defined in section 101(5) of the Bankruptcy Code and including without limitation successor liability claims), or other interests, of any kind or

nature whatsoever, whether known or unknown, legal or equitable, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, asserted or unasserted, whether arising prior to or after the commencement of these bankruptcy cases, and whether imposed by agreement, understanding, law, equity or otherwise, accruing, arising or relating thereto (collectively, the “Interests”²), at any time prior to the date of the Closing Date.

11. Satisfaction of 363(f) Standards. The Trustee may sell and transfer, and Turner Yost Entity may purchase, the In-Force Insurance Policies and the Lapsed Insurance Policies free and clear of any interests of any kind or nature whatsoever because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. The proposed sale of the In-Force Insurance Policies and the Lapsed Insurance Policies will be free and clear of all liens, claims, Interests, and encumbrances including any liabilities that arose prior to the Closing Date, with all such liens, claims, Interests, encumbrances and liabilities to transfer and attach to the sale proceeds with the same validity, priority, force and effect (if any) that such liens, claims, interests, encumbrances and liabilities had on the In-Force Insurance Policies and the Lapsed Insurance Policies immediately prior to the closing date.

12. Not Executory Contracts. The In-Force Insurance Policies and the Lapsed Insurance Policies, either individually or as a group, do not constitute “executory contracts” as that term is used in the context of 11 U.S.C. § 365. Without regard to their executory or non-executory nature, the Trustee, with Court approval, may transfer all right, title and interest of

² The term “Interests” as used in this Order includes, without limitations: all encumbrances; obligations; debts; liabilities; demands; guaranties; options; rights; restrictions; contractual commitments, including but not limited to, any license obligations; rights of first refusal or interests; any of the foregoing that purport to give to any party any defense, a defense or right of setoff, or recoupment against or a right or option to effect any forfeiture, modification or termination of the Debtors’ interests in the Inforce Insurance Policies and the Lapsed Insurance Policies, or any similar rights; any of the foregoing arising under any mortgages, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, judgments, demands, encumbrances, rights of first refusal or charges of any kind or nature, the interest of any Debtor other than Policy Services, Inc., or any other person or entity, whether asserted as to the totality of the Inforce Insurance Policies and Lapsed Insurance Policies, or any portion thereof, including any fractional interest in any such policy or policies.

Policy Services, Inc., in and to the In-Force Insurance Policies and the Lapsed Insurance Policies pursuant to 11. U.S.C. §§363(b) and 363(f).

13. Back-up Bid. In the event that the sale to Turner-Yost Entity does not close, the Trustee is authorized and directed to proceed to closing of a sale to _____, or their assigns, at a cash sales price of \$_____ without further Order of this Court.

NOW, THEREFORE, IT IS ORDERED, ADJUDGMENT AND DECREED THAT:

1. Sale Motion is Granted. The Sale Motion and the relief requested therein is GRANTED and APPROVED, as set forth herein and on the record of the Sale Hearing, which is incorporated herein in its entirety, and the Sale as contemplated thereby is granted and approved. All findings of fact and conclusions of law of this Court stated on the record as part of the Court's ruling at the Sale Hearing are incorporated herein by reference and made a part hereof. The Trustee is authorized and directed to sell the In-Force Insurance Policies and the Lapsed Insurance Policies to Turner-Yost Entity for \$1,078,389.36 and such additional consideration as is provided in the Life Insurance Policy Purchase and Sale Agreement with respect to the Lapsed Policies

2. Objections Overruled. Any objections to the entry of this Order or the relief granted herein or requested in the Sale Motion that have not been withdrawn, waived, or settled, or not otherwise resolved pursuant to the terms hereof, if any, hereby are denied and overruled on the merits with prejudice.

3. Free and Clear. Except as expressly provided for in this Order, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, as of the Closing Date, the Trustee shall transfer, and Turner-Yost Entity shall take title to and possession of, the In-Force Insurance Policies and the Lapsed Insurance Policies free and clear of all Interests, with all such Interests attaching to the

proceed of sale, subject to the terms of such Interests, with the same validity, force and effect, and in the same order of priority, which such Interests now have against the In-Force Insurance Policies and the Lapsed Insurance Policies.

4. Valid Transfer. As of the Closing Date, the transaction shall effect a legal, valid, enforceable and effective sale and transfer of the In-Force Insurance Policies and the Lapsed Insurance Policies to Turner-Yost Entity and shall vest the Turner-Yost Entity with valid legal title free and clear of any Interests of any kind whatsoever. The In-Force Insurance Policies and the Lapsed Insurance Policies are transferred to Turner-Yost Entity “as is, where is” with all faults.

5. Direction to Release Interests. On the Closing Date, each of the Debtors, creditors or Interest holders is authorized and directed to execute such documents and take all other actions as may be reasonably necessary to release its Interests in the In-Force Insurance Policies and the Lapsed Insurance Policies, if any, as such Interests may have been recorded or may otherwise exist.

6. Good Faith. The transactions contemplated are undertaken by Turner Yost entity, its affiliates, agents, and representatives, without collusion and in good faith, as that term is used in section 363(m) of the Bankruptcy Code and, accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale, unless such authorization is duly stayed pending such appeal prior to the closing. Turner-Yost Entity, which shall include its affiliates, agents and representative, is a good faith purchaser of the Assets, and is entitled to all of the benefits and protections afforded by section 363(m) of the Bankruptcy Code.

7. Retention of Jurisdiction. The Court retains jurisdiction, pursuant to its statutory powers under 28 U.S.C. § 157(b)(2), to, among other things, interpret, implement, and enforce the terms and provisions of this Order, including, but not limited to, retaining jurisdiction to: (a) interpret, implement and enforce the provisions of this Order and any related order; and (b) protect Turner-Yost Entity against any Interests in the of any kind or nature whatsoever that attach to the sales proceed.

8. Reserved

9. Application of Sale Proceeds. Any and all valid and perfected Interests in the In-Force Insurance Policies and the Lapsed Insurance Policies shall attach to any proceeds in the order of priority, and with the same validity, force and effect (if any) that such liens, claims, Interests, encumbrances and liabilities had on the In-Force Insurance Policies and the Lapsed Insurance Policies immediately prior to the Closing Date.

10. Non-Material Modifications. The Purchase Agreement and any related agreements, documents or other instruments, may be modified, amended or supplemented by the parties thereto, in a writing signed by such parties, and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Trustee or the Debtors' estates in the business judgment of the Trustee.

11. General Authorization. The Trustee is further authorized and directed to perform such tasks and execute, acknowledge and deliver such instruments or documents as may be necessary to evidence and/or consummate the sale of the In-Force Insurance Policies and the Lapsed Insurance Policies pursuant to this Order.

12. No Stay of Order. Notwithstanding the provisions of the Bankruptcy Rule 6004 or any applicable provisions of the Local Rules, this Order shall not be stayed for fourteen (14) days after the entry hereof, but shall be effective and enforceable immediately upon entry. Time is of the essence in closing the transaction referenced herein, and the Trustee and Purchaser intend to close the Sale as soon as practicable. Any party objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay, or risk its appeal being foreclosed as moot.

13. Sale to the Back-up Bidder. In the event that the sale to Turner-Yost Entity does not close, the Trustee is authorized and directed to proceed to closing of a sale to _____ or their assigns, at a cash sales price of _____ in accordance with the other terms of this Order.

14. Order Controls. To the extent that this Order is inconsistent with any prior order or pleading with respect to the Sale Motion in this bankruptcy case, the terms of this Order shall govern.

15. The Court herein incorporates all rulings made on the record as part of this Order.

SALE PROCEDURES

SALE PROCEDURES

On December 9, 2021 (the “**Petition Date**”), Policy Services, Inc., one of the eleven jointly administered debtors (“**Debtor**”), the owner and sole beneficiary of the Policies (defined below), filed a voluntary petition under Chapter 7 of Title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (as amended, the “**Bankruptcy Code**”).

On December 21, 2021, J. Patrick Lowe, was appointed chapter 7 Trustee (“**Trustee**”) for the estate of *In re Policy Services, Inc.*, Case No. 21-51513, in the United States Bankruptcy Court of the Western District of Texas, San Antonio, Division, which case is being Jointly Administered under *In re deeproot Capital Management, LLC, et al.*, Case No. 21-51523, in the United States Bankruptcy Court of the Western District of Texas, San Antonio, Division.

These Sale Procedures have been approved and authorized pursuant to the *Trustee’s Motion to Approve (A) Sale Procedures, Stalking Horse Agreement and Bid Protections in Connection with the Sale of Property of the Estate of Policy Services, Inc. and (B) the Form of Notice for the Sale of Property of the Estate of Policy Services, Inc.* (the “**Sale Procedures Motion**”) and the *Order Approving Trustee’s Motion to Approve (A) Sale Procedures and Bid Protections in Connection with the Sale of Property of the Estate of Policy Services, Inc. and (B) the Form of Notice for the Sale of Property of the Estate of Policy Services, Inc.* (the “**Sale Procedures Order**”), entered by the United States Bankruptcy Court for the Western District of Texas, San Antonio Division.

A. Assets to be Sold

Generally, the assets to be sold include the conveyance free and clear of all liens, claims, encumbrances, and interests in certain life insurance policies, as described on Exhibit A and Exhibit B attached hereto (collectively, the “**Policies**”).

B. Stalking Horse Agreement

Subject to the provisions set forth herein, Trustee has entered into a certain Life Insurance Policy Purchase and Sale Agreement (the “Stalking Horse Agreement”) with TuYo Holdings, LLC, a Texas limited liability company (the “Stalking Horse Bidder”), pursuant to which Trustee has agreed to sell and the Stalking Horse Bidder has agreed to purchase the Policies, subject to the receipt and acceptance of an otherwise better Qualified Bid from a Qualified Bidder, as provided herein.

The Stalking Horse Agreement and the transactions contemplated thereby will be deemed a Qualified Bid for all purposes, and the Stalking Horse Bidder will be deemed to be a Qualified Bidder. Other than as provided by order of the Bankruptcy Court prior to the entry of the Sale Order, no party submitting a Bid shall be entitled to a break-up fee or expense reimbursement except for the Bid Protections for the Stalking Horse Bidder that are approved by the Bankruptcy Court

C. Submission of Initial Qualifying Bids by Potential Purchasers

Any party wishing to participate as a qualified bidder should submit (a) a sealed bid for the Policies (“**Bid**”), (b) a purchase agreement (“**Purchase Agreement**”), signed by an authorized representative of such bidder, marked against the Stalking Horse Agreement to show all changes

requested by such bidder, and (c) evidence of the bidder's financial ability to close the transaction, to J. Patrick Lowe, Trustee, 2402 E. Main, Uvalde, Texas 78801; email pat.lowe.law@gmail.com, and deposit Six Hundred Thousand and no/100 Dollars (\$600,000.00) ("**Earnest Money Deposit**") with Trustee's counsel, Randall A. Pulman, at Pulman, Cappuccio & Pullen, LLP, 2161 NW Military Highway, Suite 400, San Antonio, Texas 78213; Phone No. (210) 222-9494, Fax No. (210) 892-1610; email rpulman@pulmanlaw.com by no later than **March 31, 2022** (the "**Bid Deadline**").

Any such Bid submitted by the Bid Deadline shall be in the amount of at least One Million, Two Hundred Fifty Thousand and no/100 Dollars (\$1,250,000.00) to be a qualified bid ("**Qualified Bid**") and to allow the bidder to become a Qualified Bidder ("**Qualified Bidder**"). The deposited funds will be held by Pulman, Cappuccio & Pullen, LLP in its trust account until after the closing of the sale. The Earnest Money Deposit of all Qualified Bidders (except for the highest bidder (the "**Successful Bidder**")) will be returned, without interest, to each Qualified Bidder as soon as reasonably practicable but in any event within seven (7) business days after the closing of the Sale

The Bid should be sealed.

D. The Selection of the Successful Bid

In the event Trustee receives at least one Qualified Bid by the Bid Deadline, the Trustee may in his absolute discretion, exercising only his best business judgment on behalf of the estate, negotiate with the Stalking Horse Bidder and one or more of the Qualified Bidders on price and terms of a Qualified Bid.

E. Objections to Sale

Any objection(s) filed to the sale of the Policies (i) shall be set forth in writing and shall specify with particularity the grounds for such objections or other statements of position; (ii) shall be filed with the Court on or before **March 31, 2022** (the "**Objection Deadline**"). Any person failing to timely file an objection to the Sale prior to the Objection Deadline shall be forever barred from objecting to the Sale, including the transferring of the Property free and clear of any and all liens, claims and other interests, and will be deemed to consent to the Sale.

F. Court Approval

In the event that Trustee has not received a Qualifying Bid with a cash offer of at least \$1,250,000.00 by March 31, 2022, the Court shall hold a hearing to approve the sale of the Policies to the Stalking Horse Bidder or its assignee, free and clear of all liens, claims, interests and encumbrances pursuant to 11 U.S.C. § 363.

In the event Trustee receives at least one Qualified Bid, counsel for Trustee will file a notice with the Court and notify the Court's courtroom deputy that the sale hearing will be continued to **April __, 2022**, (the "**Sale Hearing**") where Trustee will seek approval of the sale of the Policies to the Successful Bidder.

At the Sale Hearing, Trustee will seek entry of an order approving the sale of the Policies to the Successful Bidder pursuant to 11 U.S.C. §363(f) and free and clear of all liens, claims, encumbrances, and interests. The Sale Hearing may be adjourned or rescheduled as ordered by the Bankruptcy Court or by Trustee with the approval of the Successful Bidder and without further notice to creditors and parties in interest other than by announcement by Trustee of the adjourned date at the Sale Hearing.

Trustee's presentation to the Bankruptcy Court for approval of a Successful Bid does not constitute Trustee's acceptance of the Bid. Trustee will be deemed to have accepted a Bid only when the Bid has been approved by Order of the Bankruptcy Court.

G. Closing

The closing of the sale of the Policies shall occur no later than **May 2, 2022** (the "**Final Closing Deadline**"); provided, however, that this requirement may be waived upon an agreement between Trustee and the Successful Bidder.

H. Failure to Consummate Purchase

If any Successful Bidder fails to consummate the purchase of the Policies, and such failure to consummate the purchase is the result of a breach by such Successful Bidder, the Earnest Money Deposit of such Successful Bidder shall be forfeited to the Estate.

I. Back-Up Bidders

If any Successful Bidder fails to consummate a sale because of a breach or failure to perform on the part of such Successful Bidder, the Qualified Bidder that had submitted the next highest or otherwise best Qualified Bid at the Auction (if any), (the "**Back-Up Bidder(s)**") will be deemed to be the Successful Bidder for the Policies and Trustee will be authorized to consummate the Sale of the Policies to such Back-Up Bidder without further order of the Bankruptcy Court and such Qualified Bid shall thereupon be deemed the Successful Bid. If any Qualified Bidder fails to consummate the sale because of a breach or failure to perform on the part of such Qualified Bidder or for any reason within ten days after being deemed the Back-Up Bidder pursuant to this section of the Sale Procedures, the process described above may continue as determined by Trustee until a Qualified Bidder shall consummate the sale.

J. Return of Earnest Money Deposit

The Earnest Money Deposit of all Qualified Bidders, who are not the Successful Bidder, will be returned, without interest, to each such Qualified Bidder as soon as reasonably practicable but in any event within seven (7) business days after the closing of the Sale.

K. Reservation of Rights

1. Determination of Successful Bid. Trustee reserves the right to: (a) determine whether any Qualified Bid is a successful bid, and (b) reject, at any time prior to the entry of the Sale Order,

any Bid that the Trustee in its discretion determines to be inadequate, insufficient, not in conformity with the Sales Procedures or the Bankruptcy Code, or contrary to the best interest of the Trustee and its Estate.

2. Modification of Bidding Procedures. Trustee may modify the Sale Procedures, without the need for any further order of the Bankruptcy Court, including, without limitation (a) extending the deadlines set forth in these Sale Procedures, and (b) adjourning the Sale Hearing.

3. Nothing contained in these Sale Procedures, or the court's order, shall limit, restrict, alter, modify, waive or otherwise impair Trustee's reasonable business judgment in relation to the sale process contemplated by these Sale Procedures.

L. As Is, Where As Sale

The sale of the Policies shall be on an "**as is, where as**" basis and without representations or warranties of any kind, nature, or description by the Trustee, the Estate, or its agents and representatives. Except as otherwise expressly provided in these Sale Procedures, by submitting a Bid, each bidder shall be deemed to acknowledge and represent that it (i) has had an opportunity to conduct any and all reasonable due diligence regarding the Policies prior to making its bid, (ii) has relied solely upon its own independent review, investigation and/or inspection of any and all documents and/or the Policies in making its bid, and (iii) did not rely on any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Policies, or the completeness of any information provided in connection therewith.

Subject to the provisions set forth herein, Trustee has entered into a certain Life Insurance Policy Purchase and Sale Agreement (the “Stalking Horse Agreement”) with TuYo Holdings, LLC, a Texas limited liability company (the “Stalking Horse Bidder”), pursuant to which Trustee has agreed to sell and the Stalking Horse Bidder has agreed to purchase the Policies, subject to the receipt and acceptance of an otherwise better Qualified Bid from a Qualified Bidder, as provided herein.

The Stalking Horse Agreement and the transactions contemplated thereby will be deemed a Qualified Bid for all purposes, and the Stalking Horse Bidder will be deemed to be a Qualified Bidder. Other than as provided by order of the Bankruptcy Court prior to the entry of the Sale Order, no party submitting a Bid shall be entitled to a break-up fee or expense reimbursement except for the Bid Protections for the Stalking Horse Bidder that are approved by the Bankruptcy Court

C. Submission of Initial Qualifying Bids by Potential Purchasers

Any party wishing to participate as a qualified bidder should submit (a) a sealed bid for the Policies (“**Bid**”), (b) a purchase agreement (“**Purchase Agreement**”), signed by an authorized representative of such bidder, marked against the Stalking Horse Agreement to show all changes

requested by such bidder, and (c) evidence of the bidder's financial ability to close the transaction, to J. Patrick Lowe, Trustee, 2402 E. The Earnest Money Deposit of all Qualified Bidders (except for the highest bidder (the "**Successful Bidder**")) will be returned, without interest, to each Qualified Bidder as soon as reasonably practicable but in any event within seven (7) business days after the closing of the Sale

The Bid should be sealed.

D. The Selection of the Successful Bid

In the event Trustee receives at least one Qualified Bid by the Bid Deadline, the Trustee may in his absolute discretion, exercising only his best business judgment on behalf of the estate, negotiate with the Stalking Horse Bidder and one or more of the Qualified Bidders on price and terms of a Qualified Bid.

E. Objections to Sale

Any objection(s) filed to the sale of the Policies (i) shall be set forth in writing and shall specify with particularity the grounds for such objections or other statements of position; (ii) shall be filed with the Court on or before **March 31, 2022** (the "**Objection Deadline**"). Any person failing to timely file an objection to the Sale prior to the Objection Deadline shall be forever barred from objecting to the Sale, including the transferring of the Property free and clear of any and all liens, claims and other interests, and will be deemed to consent to the Sale.

F. Court Approval

In the event that Trustee has not received a Qualifying Bid with a cash offer of at least \$1,250,000.00 by March 31, 2022, the Court shall hold a hearing to approve the sale of the Policies to the Stalking Horse Bidder or its assignee, free and clear of all liens, claims, interests and encumbrances pursuant to 11 U.S.C. § 363.

In the event Trustee receives at least one Qualified Bid, counsel for Trustee will file a notice with the Court and notify the Court's courtroom deputy that the sale hearing will be continued to **April __, 2022**, (the "**Sale Hearing**") where Trustee will seek approval of the sale of the Policies to the Successful Bidder.

The Sale Hearing may be adjourned or rescheduled as ordered by the Bankruptcy Court or by Trustee with the approval of the Successful Bidder and without further notice to creditors and parties in interest other than by announcement by Trustee of the adjourned date at the Sale Hearing.

Trustee's presentation to the Bankruptcy Court for approval of a Successful Bid does not constitute Trustee's acceptance of the Bid. Trustee will be deemed to have accepted a Bid only when the Bid has been approved by Order of the Bankruptcy Court.

G. Closing

The closing of the sale of the Policies shall occur no later than **May 2, 2022** (the "**Final Closing Deadline**"); provided, however, that this requirement may be waived upon an agreement between Trustee and the Successful Bidder.

I. Back-Up Bidders

If any Successful Bidder fails to consummate a sale because of a breach or failure to perform on the part of such Successful Bidder, the Qualified Bidder that had submitted the next highest or otherwise best Qualified Bid at the Auction (if any), (the "**Back-Up Bidder(s)**") will be deemed to be the Successful Bidder for the Policies and Trustee will be authorized to consummate the Sale of the Policies to such Back-Up Bidder without further order of the Bankruptcy Court and such Qualified Bid shall thereupon be deemed the Successful Bid. If any Qualified Bidder fails to consummate the sale because of a breach or failure to perform on the part of such Qualified Bidder or for any reason within ten days after being deemed the Back-Up Bidder pursuant to this section of the Sale Procedures, the process described above may continue as determined by Trustee until a Qualified Bidder shall consummate the sale.

J. Return of Earnest Money Deposit

The Earnest Money Deposit of all Qualified Bidders, who are not the Successful Bidder, will be returned, without interest, to each such Qualified Bidder as soon as reasonably practicable but in any event within seven (7) business days after the closing of the Sale.

K. Reservation of Rights

1. Determination of Successful Bid. Trustee reserves the right to: (a) determine whether any Qualified Bid is a successful bid, and (b) reject, at any time prior to the entry of the Sale Order,

any Bid that the Trustee in its discretion determines to be inadequate, insufficient, not in conformity with the Sales Procedures or the Bankruptcy Code, or contrary to the best interest of the Trustee and its Estate.

2. Modification of Bidding Procedures. Trustee may modify the Sale Procedures, without the need for any further order of the Bankruptcy Court, including, without limitation (a) extending the deadlines set forth in these Sale Procedures, and (b) adjourning the Sale Hearing.

3. Nothing contained in these Sale Procedures, or the court's order, shall limit, restrict, alter, modify, waive or otherwise impair Trustee's reasonable business judgment in relation to the sale process contemplated by these Sale Procedures.
